A MESSAGE FROM THE PRESIDENT

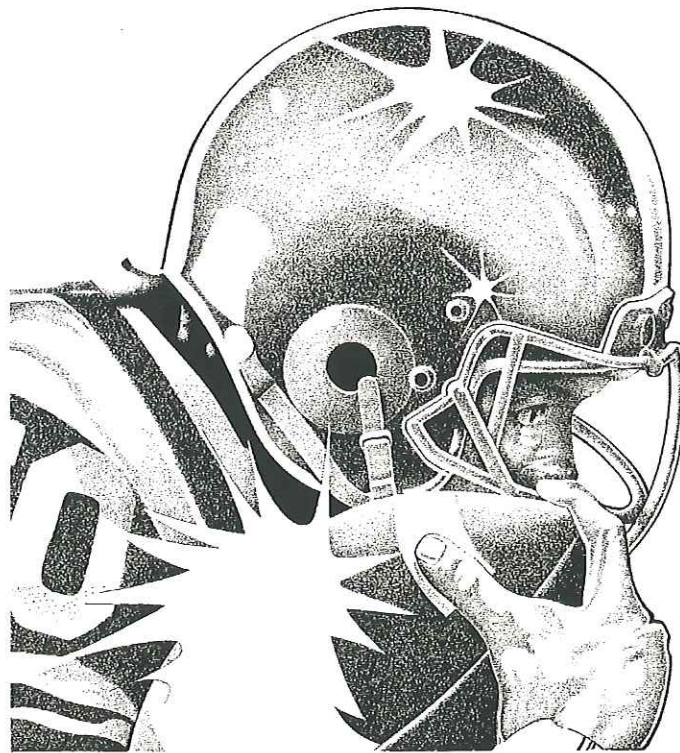

I would like to welcome everyone to the second annual awards banquet sponsored by the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame.

The athletes being honored this evening have been nominated by their high school principals and football coaches. Their hard work, both on the athletic field and in the classroom, have earned them the right to be selected for this special recognition.

To be the 1998-99 scholar athlete representing your school and your football team is indeed an honor. Continue this level of performance and you will find many doors open to you in your personal and professional life.

We are pleased to have as our guest speaker this evening Mr. Todd Blackledge.

HISTORY OF THE CENTRAL PENNSYLVANIA CHAPTER NFF & CHF

SAVE OUR SPORT/SAVE OUR COUNTRY

In a world where our most cherished values are being questioned and challenged every day and our young people are being influenced by TV shows, movies and radio talk shows--hard work, team work, pride in accomplishment, respect for others, respect for laws and belief in God are being eroded from our culture.

Young people are exposed to few experiences that promote positive beliefs and values.

Athletics may be our last bastion of hope. Athletics challenge the will, temper the body and the mind, and encourage conformity and respect for rules. No sport better teaches these values and beliefs than football. We must preserve it in its present and most pure form. This is the purpose of the National Football Foundation and College Hall of Fame and the reason for the formation of the Central Pennsylvania Chapter.

The NFF and CHF is a national organization whose main objective is to mobilize the constructive forces of amateur football, at all levels, for the benefit of society as a whole. To preserve and encourage these values in our nation's youth, the NFF & CHF helps bring together all the organized groups that play, coach, administer, support and report amateur football. It seeks to establish the true concept of the game as an amateur sport and to gain recognition of the important role it plays in the preservation and advancement of our way of life.

The NFF and CHF accomplishes these goals by recognizing young athletes from high school and college football teams across the country and by awarding scholarships based on academic accomplishment, citizenship and leadership, and exemplary football performance.

For our first effort in April of 1998 the Central Pa. Chapter recognized 30 High School and 3 University Scholar Athletes. \$5000.00 in scholarships were presented to the most deserving. \$1000.00 scholarships were presented to:

Jonathan Ganter, State College HS
Mathew Glunt, Curwensville HS
Jeremy Guyer, Bellwood Antis HS
Michael Sedor, Dubois HS
Andrew Smalley, Lock Haven HS.

PROCEDURE FOR THE SELECTION OF THE SCHOLAR-ATHLETES

As the scholastic football season came to a close, a representative of the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame sent a letter and nomination form to each of the 30 high school principals and football coaches represented by the Central Pennsylvania Chapter. Each principal and head coach then submitted a resume of the qualifications of the selected candidate. The resume included a high school transcript, test scores (SAT/ACT), athletic achievements, extra-curricular activities and community service participation.

The resumes were forwarded to the Selection Committee. The Selection Committee was composed of knowledgeable representatives from the athletic, educational and business communities. It was the responsibility of the Selection Committee to follow the guidelines established by the National Football Foundation and College Hall of Fame. The following was the basis for selection:

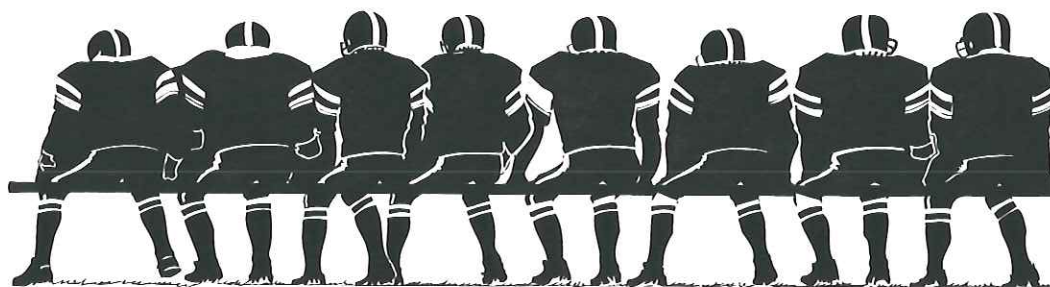

- 40% Academic Achievement
- 40% Athletic Achievement
- 20% Extracurricular/Community Service Activities

The resumes were carefully evaluated and rank ordered. The names were given to the Advisory Board. The Advisory Board determined the number of scholarships to be presented to the nominees.

Since 1981, he has done color analysis on Princeton Football. In 1983, Bob was chosen to do color commentary by WOR-Radio in New York for the New Jersey Generals of the USFL and was cited in 1983 as the best sports reporting team in New York State. In the Fall of 1984, he became the "voice" of Rutgers Football on both radio and television and continues to do color commentating on New Jersey Network covering Rutgers, Princeton and the state colleges in New Jersey.

During the 1985 and 1986 seasons, Bob served as color analyst for the Ivy League Game of the Week on National Public Television. In addition, his broadcasting career has included color commentary for the Mizlou Television Network working the Independence Bowl in 1985, 1986, and 1987; the Hall of Fame Bowl in 1986 and the Senior Bowl in 1988. From the Fall of 1987 through 1990, Casciola was color commentator for the Great American Independent Football Broadcasts on National Television that included the following schools: Boston College, Syracuse, Pittsburgh, West Virginia, Notre Dame, Temple, Rutgers, Army and Navy. Since 1991, Bob has served as color analyst for Rutgers and Princeton Football on New Jersey Network Television and Comcast Cable Network.

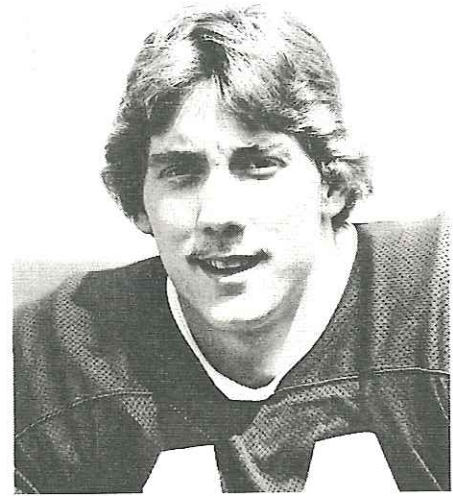

For his efforts with New Jersey high school football, Casciola received the Coaches Association Honor Award in 1981, and on June 5, 1984 was cited for his contribution to high school sports by the Delaware Valley Chapter of The National Football Foundation and College Hall of Fame, receiving the Distinguished American Award. In the Fall of 1985, he was honored by the New Jersey Sports and Exposition Authority for his efforts on behalf of Athletics in New Jersey. In 1990, The New Jersey Tournament of Champions selected Bob as "Person of the Year", and in 1994, the Downtown Athletic Club honored him with Heisman Scholarship Award in special recognition for his outstanding and significant achievements in college football.

BIOGRAPHY OF TODD BLACKLEDGE

Todd Blackledge, a seven year veteran of the National Football League, joined ABC Sports in 1994 as an expert analyst for college football. In 1996, he was moved into the studio alongside of John Saunders to provide analysis during ABC's halftime and postgame shows.

In addition to his Saturday afternoon studio duties, Blackledge also serves as a color analyst in the booth for ESPN's Thursday night college football package.

A former quarterback in the NFL, Blackledge played for the Kansas City Chiefs from 1983-88 and with the Pittsburgh Steelers from 1988-90.

Prior to joining ABC, Blackledge worked as a college football analyst for the Big East Television Network and for ESPN. He has also served as the analyst for the Indianapolis Colts preseason games (1993-96) and the Philadelphia Eagles (1997-present).

Blackledge was an academic All-American and earned Phi Beta Kappa status as a junior at Penn State in addition to being the team's starting quarterback for three seasons. He guided the Nittany Lions to a 31-5 record and three New Year's Day Bowl victories including the 1983 Sugar Bowl in which Penn State beat Georgia and captured the National Championship.

In the Spring of 1997, Blackledge was elected to the Academic All-American Hall of Fame, with Penn State football coach Joe Paterno serving as his presenter.

Todd and his wife, Cherie, have two sons, Harrison, born May 28, 1995, and Quinn, born May 12, 1997. The Blackledges reside in Canton, Ohio.
