**Welcome -**

Welcome to the fifth annual awards banquet sponsored by the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Today, we will take a moment to recognize some of our finest scholar-athletes. These young men have demonstrated the type of characteristics that we admire in people.

Many of our award winners will be heading off to college. Many of them will participate in football as they pursue a college education. Some may elect to stop playing organized football while they work to obtain personal goals. Some have already experienced college football and are ready to begin a professional career. Whatever the case, these young men have shown that they have the tools necessary to be successful in life.

The Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame is honored to recognize these young men for their scholarship, athletic performance, and citizenship.

We hope you enjoy the banquet!

Tom Templeton  
Central Pennsylvania Chapter President

## **History -**

The National Football Foundation and College Hall of Fame was founded in 1947 and is dedicated to mobilizing the constructive forces of amateur football, at all levels, for the benefit of society.

As stated most clearly by former President and Foundation “Gold Medal” recipient Dewight D. Eisenhower. “In football, in business, in the trades and professions, the normal urge to excel provides one of the most hopeful assurances that our kind of society will continue to advance and prosper. Morale... the will, this heart...we need not only in athletic teams as individual, but collectively.”

To preserve and encourage these values in our nation’s youth, the National Football Foundation and College Hall of Fame helps to bring together all of the organized groups that play, coach, administer, support and report amateur football. It seeks to establish the true concept of the game as an amateur sport, and to gain recognition of the important role it plays in the preservation and advancement of our way of life.

The Central Pennsylvania Chapter is one of 110 chapters who combine with the national office to honor over 3,000 high school and college scholar athletes each year with nearly \$1,000,000 in scholarships for undergraduate and graduate education. Now in its fifth year, the Central Pennsylvania Chapter is proud to honor 31 high school and 3 college scholar athletes for the 2001-2002 year. Our congratulations to each award recipient who was nominated by their schools.

## **Procedure for Selecting Award and Scholarship Winners -**

At the beginning of the scholastic football season, the president of the Central Pennsylvania Chapter sent a letter and nomination form to each of the 32 high school principals, head coaches, and athletic directors in the central region. Each school was asked to nominate one senior member from their football team to receive an award from the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Each nomination form included a high school transcript, and official test scores (SAT/ACT).

The nomination forms, transcripts and test scores were forwarded to the scholarship selection committee. This committee is composed of knowledgeable representatives from our local chapter who were responsible for evaluating each of the nominees using the following three criteria established by the National office:

**40% Academic Achievement**

**40% Athletic Achievement**

**20% Extracurricular/Community Service Participation**

The scholarship committee carefully evaluated each nominee and rank ordered them accordingly. The rank order was given to the Advisory Board and the top 10 individuals will also receive \$1000 post graduate scholarships.

# *Chris Bahr*

## **Penn State All-American and NFL All-Pro Kicker**

Chris was a placekicker and punter for Penn State during 1973-74-75. The best long yardage placekicker in Penn State history with twice as many field goals of 50 yards or more (six) than any other kicker. He was a first team All-American in his senior year. During his first two seasons as a kicker, he was on the Penn State soccer team and was captain of the 1974 soccer team. In the summer of 1975, he earned "rookie of the year" in the North American Soccer League while playing for a team in Philadelphia.

Chris owns the Penn State record for the longest field goal (55 yards) that he set in the opening game of 1975 against Temple. His 55 yard kick broke Pete Mauthe's 63-year old record of 51 yards. The most amazing thing about his 55 yard field goal is that he went on to do it two more times that year with boots against Ohio State and Syracuse. He also kicked a 52-yarder in 1975 against West Virginia and had kicks of 50 yards against Syracuse in 1973 and Pitt in 1974.

One of his most significant kicks was made in 1975 to beat Pitt 7-6 in the fourth quarter after a low, off-target, snap was somehow handled by holder Dick Bravinchak. In a 1975 Beaver Stadium game against West Virginia, he booted one kickoff 70 yards through the goal posts. He had four field goals during the 1974 Pitt game which was the record until Brian Franco broke it with five at Nebraska in 1981. He is first in career attempts, tied for fourth with Brett Conway in most field goals in one season (18, 1975) and he is sixth in career field goals (35 on 63 attempts for a 55.6% average).

Chris kicked field goals in three bowl games with a 42 yarder in a 16-9 win over LSU in the 1974 Orange Bowl, two for 25 & 33 yards in a 41-20 win over Baylor in the 1975 Cotton Bowl, and two for 42 & 37 yards for the only PSU points in a 13-6 loss to Alabama in the 1975 Sugar Bowl.

He was also a punter in his senior season and his average yards per kick (38.6) on 56 punts is seventh best of all time at PSU. His 48.5 yard average on four punts in the 1975 Sugar Bowl loss to Alabama is fourth in single game punting averages.

Chris was the second choice of the Cincinnati Bengals in 1976 and played with the Bengals from 1976-1979. He then joined the Oakland Raiders where he had his greatest All-Pro success from 1980-1988, kicking in two Super Bowls, before spending one year at San Diego and then retiring in 1990. Upon retirement from the NFL, Chris returned to State College, works as a financial planner, and lives in Boalsburg.

# Making a Difference in the Community

Our commitment to the communities we serve... University Orthopedics Center physicians volunteer the administration of sports physicals, athletic and strength training and medical coverage for football games to area high

schools. The University Orthopedics team has treated and rehabilitated professional athletes from the NBA, NFL and Major League Baseball, as well as college, high school and weekend athletes.

We're proud to support the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Congratulations to all the Scholar Athletes from University Orthopedics Center.
