**Welcome -**

Welcome to the sixth annual awards banquet sponsored by the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Today, we will take a moment to recognize some of our finest scholar-athletes. These young men have demonstrated the type of characteristics that we admire in people.

Many of our award winners will be heading off to college. Many of them will participate in football as they pursue a college education. Some may elect to stop playing organized football while they work to obtain personal goals. Some have already experienced college football and are ready to begin a professional career. Whatever the case, these young men have shown that they have the tools necessary to be successful in life.

The Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame is honored to recognize these young men for their scholarship, athletic performance, and citizenship.

We hope you enjoy the banquet!

Tom Templeton  
Central Pennsylvania Chapter President

## History -

The National Football Foundation and College Hall of Fame was founded in 1947 and is dedicated to mobilizing the constructive forces of amateur football, at all levels, for the benefit of society.

As stated most clearly by former President and Foundation “Gold Medal” recipient Dewight D. Eisenhower. “In football, in business, in the trades and professions, the normal urge to excel provides one of the most hopeful assurances that our kind of society will continue to advance and prosper. Morale... the will, this heart...we need not only in athletic teams as individual, but collectively.”

To preserve and encourage these values in our nation’s youth, the National Football Foundation and College Hall of Fame helps to bring together all of the organized groups that play, coach, administer, support and report amateur football. It seeks to establish the true concept of the game as an amateur sport, and to gain recognition of the important role it plays in the preservation and advancement of our way of life.

The Central Pennsylvania Chapter is one of 110 chapters who combine with the national office to honor over 3,000 high school and college scholar athletes each year with nearly \$1,000,000 in scholarships for undergraduate and graduate education. Now in its sixth year, the Central Pennsylvania Chapter is proud to honor 32 high school and 3 college scholar athletes for the 2002-2003 year. Our congratulations to each award recipient who was nominated by their schools.

## Procedure for Selecting Award and Scholarship Winners -

At the beginning of the scholastic football season, the president of the Central Pennsylvania Chapter sent a letter and nomination form to each of the 32 high school principals, head coaches, and athletic directors in the central region. Each school was asked to nominate one senior member from their football team to receive an award from the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Each nomination form included a high school transcript, and official test scores (SAT/ACT).

The nomination forms, transcripts and test scores were forwarded to the scholarship selection committee. This committee is composed of knowledgeable representatives from our local chapter who were responsible for evaluating each of the nominees using the following three criteria established by the National office:

**40% Academic Achievement**

**40% Athletic Achievement**

**20% Extracurricular/Community Service Participation**

The scholarship committee carefully evaluated each nominee and rank ordered them accordingly. The rank order was given to the Advisory Board and the top 10 individuals will also receive \$1000 post graduate scholarships.

# Featured Speaker

## *Dr. Dave Joyner*

### **An All-American, Academic Scholar, Doctor and Olympian**

Dr. Dave Joyner was one of Penn State's outstanding scholar athletes and long after his graduation he continues to show why.

Today, Dr. Joyner is an orthopedic surgeon, a physician for the United States Olympic team and a member of the Penn State Board of Trustees. He also is active in various public service endeavors on a local, state, national and international level.

That's quite an accomplishment for a player who was a near unanimous selection as an All-American offensive tackle and a runner-up in the NCAA heavyweight wrestling tournament.

"Joyner may be the best tackle we've had at Penn State," Coach Joe Paterno once said about the man who was his co-captain of the 1971 team. Dr. Joyner played three years for Paterno and was a devastating blocker and exceptional pass protector. The 1971 team lost only one game and wiped out favored Texas, 30-6, in the 1972 Cotton Bowl.

Dr. Joyner was equally successful in wrestling. He is one of just seven Nittany Lion wrestlers to win three individual championships in the Eastern Intercollegiate Wrestling Association. Dr. Joyner also was co-captain of the undefeated 1971 wrestling team (10-0-1) that won the team EIWA title and finished fourth in the NCAA tournament. He narrowly missed winning the NCAA heavyweight championship that year.

Dr. Joyner also excelled in the classroom. The State College native was an academic All-American in his senior year and also won a prestigious fellowship from the National Football Foundation and College Football Hall of Fame. In 1991, Dr. Joyner was inducted in the GTE/CoSIDA Academic Hall of Fame. Perhaps his greatest academic honor came in 1997 when he was the recipient of the NCAA Silver Anniversary Award honoring former student-athletes who have distinguished themselves in their profession.

After graduating from Penn State with a Bachelors of Science degree, Dr. Joyner went on to medical school at Penn State's College of Medicine and received his medical degree in 1976. He has spent the majority of his medical career in sports medicine. In 1992 he founded the Joyner Sports Medicine Institute and he is now associated with the Orthopedic Institute of Pennsylvania and hospitals in the Harrisburg area. He also is chairman of the board and chief executive officer for Elan Cosmetic Centers, Inc., which is developing national centers devoted to skin care.

Dr. Joyner has been involved in the Olympic movement for many years and was the head physician for the U. S. Team at the 1992 Winter Games in Albertville, France. He has been chairman of the U.S. Olympic Committee's Sports Medicine Committee since 1993.

Dr. Joyner was honored by Penn State as a Distinguished Alumnus in 1992 and was elected to the board of trustees in 2000. He continues to give back to the University in several capacities, including serving as co-chairman of the Paterno Libraries Endowment and chairman of the Schreyer Institute for Innovation Learning.

## **Kelly Thalman**

**NFL/NFF Coaching Academy  
Coordinator for The National Football Foundation  
and College Hall of Fame.**

Kelly's responsibilities include coordinating Coaching Academy programs nationwide, overseeing development and organization of program content, managing the NFL relationship, and various other program marketing and public relations duties.

Her association with football dates back to her birth in Buffalo, N.Y., on the day of a Monday night game between the Bills and the New York Giants. Kelly's father, Budd Thalman, was the director of public relations for the Bills. Kelly's arrival was announced to the nation by ABC-TV broadcaster Howard Cosell. Kelly moved with her parents from Orchard Park, N.Y., to State College Pa., in 1986.

After graduating from State College Area High School, Kelly entered Penn State and earned her degree in Speech Communications in December 1998.

# Making a Difference in the Community

Our commitment to the communities we serve... University Orthopedics Center physicians volunteer their time for athletic and strength training and provide medical coverage for football games to area high schools.

The University Orthopedics team has treated and rehabilitated professional athletes from the NBA, NFL and Major League Baseball, as well as college, high school and weekend athletes.

We're proud to support the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Congratulations to all the Scholar Athletes from University Orthopedics Center.
