Welcome -

Welcome to our eleventh annual awards banquet sponsored by the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Today, we will take a moment to recognize some of our finest scholar-athletes. These young men have demonstrated the type of characteristics that we admire in people.

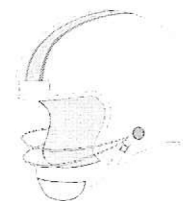

Many of our award winners will be heading off to college. Many of them will participate in football as they pursue a college education. Some may elect to stop playing organized football while they work to obtain personal goals. Some have already experienced college football and are ready to begin a professional career. Whatever the case, these young men have shown that they have the tools necessary to be successful in life.

The Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame is honored to recognize these young men for their scholarship, athletic performance, and citizenship.

We hope you enjoy the banquet!

Jack Bailey

Central Pennsylvania Chapter President

History -

The National Football Foundation and College Hall of Fame was founded in 1947 and is dedicated to mobilizing the constructive forces of amateur football, at all levels, for the benefit of society.

As stated most clearly by former President and Foundation “Gold Medal” recipient Dwight D. Eisenhower, “In football, in business, in the trades and professions, the normal urge to excel provides one of the most hopeful assurances that our kind of society will continue to advance and prosper. Morale...the will, this heart...we need not only in athletic teams and individuals, but collectively.”

To preserve and encourage these values in our nation’s youth, the National Football Foundation and College Hall of Fame helps to bring together all of the organized groups that play, coach, administer, support and report amateur football. It seeks to establish the true concept of the game as an amateur sport, and to gain recognition of the important role it plays in the preservation and advancement of our way of life.

The Central Pennsylvania Chapter is one of many chapters who combine with the national office to honor over 3,000 high school and college scholar athletes each year with nearly \$1,000,000 in scholarships for undergraduate and graduate education. Now in its eleventh year, the Central Pennsylvania Chapter is proud to honor 36 high school and 3 college scholar athletes for the 2007-2008 year. Our congratulations to each award recipient who was nominated by their schools.

Procedure for Selecting Award and Scholarship Winners -

At the beginning of the scholastic football season, the president of the Central Pennsylvania Chapter sent a letter and nomination form to each of the 36 high school head football coaches in the centre region. Each school was asked to nominate one senior member from their football team to receive an award from the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Each nomination form included a high school transcript and official test scores (SAT/ACT).

The nomination forms, transcripts and test scores were forwarded to the scholarship selection committee. This committee is composed of knowledgeable representatives from our local chapter who were responsible for evaluating each of the nominees using the following three criteria established by the National office:

Academic Achievement

Athletic Achievement

Extracurricular/Community Service Participation

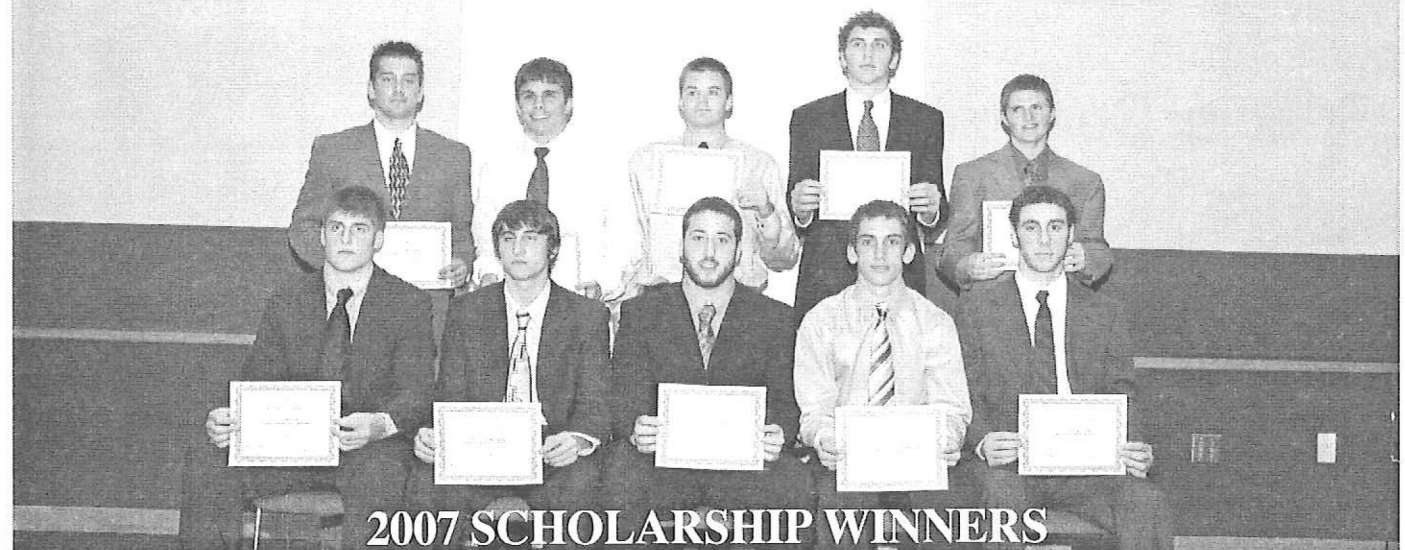

The scholarship committee carefully evaluated each nominee and rank ordered them accordingly. The rank order was given to the Advisory Board and the top 10 individuals will also receive \$1000 post graduate scholarships.

Featured Speaker: John Greene, Executive Director of the Big 33 Scholarship Foundation

The Big 33 is currently in its 51st year of operation and John Greene is in his first year as Executive Director of the Big 33 Scholarship Foundation. In his current position, John manages a staff of three and works alongside a volunteer base of more than 175 to coordinate and develop all aspects of the charity's continued growth and success.

This past October, the Big 33 was pleased to have attracted such an experienced leader who brought with him an impressive background that included business management, marketing, sales, philanthropy and an extensive background in athletics management. "We were looking for someone who could take us to the next level in many areas. The finalists were fantastic, but John had the attributes and background we were seeking. The Big 33 is thrilled that he is equally excited about making this move," said Joe Geiger, who at the time was the Big 33 interim executive director and executive director of the Pennsylvania Association of Nonprofit Organizations (PANO).

John, earned his undergraduate degree at Penn State and MBA from Penn State's Smeal College of Business Administration, and was a manager in Penn State's athletics development department since 1999. Previously, he was a partner and chief operating officer with First Affiliated Investment Group. His background also includes five years of financial planning experience at Merrill Lynch. He was also a member of the marketing team at IBM Corporation from 1991 until 1993 in Cleveland, Ohio. Greene also completed studies at the NCAA Leadership Institute for Ethnic Minority Males at the NCAA Headquarters. Greene is currently a board member and volunteer with The Second Mile.

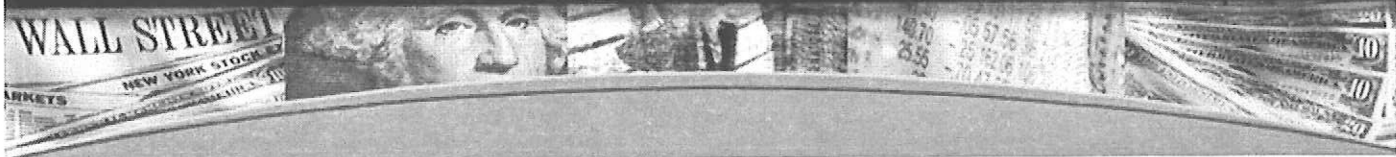

His fund-raising success for Penn State included organized awareness for women's athletics, increased gifts from former students and implementing creative marketing programs such as selling gymnasium floorboard pieces to fans. Greene courted nearly 60 individual gifts totaling more than \$4 million during his last three years at Penn State

Greene's background in athletics is extensive. A former running back, he was a member of the Nittany Lions football team from 1985 through 1988. During that time, the team earned a national championship in 1986 and Greene served as offensive co-captain in 1988. In 1989, he was a Philadelphia Eagles free agent. He has been on board of directors for The State College Quarterback Club since 1988 and was president of the organization from 2002 through 2004.

"I have admired the Big 33's growing legacy and the impact it has had on our young people both on and off the field. I look forward to working alongside the impressive and loyal list of Big 33 supporters," said Greene. "We will continue to build on this momentum, to grow the organization and further the cause of showcasing excellence in youth," said Greene.

Founded in 1957, The Big 33 Scholarship Foundation has since provided 3,288 academic scholarships to college-bound students. The Big 33 is also the producer of the annual PNC Big 33 Football Classic. The nationally acclaimed and televised PNC Big 33 Football Classic has provided at least one player in each NFL Super Bowl rosters since the Super Bowl was founded. In 2007, the Big 33 awarded more than \$295,000 in academic scholarships. The organization's primary mission is to showcase excellence in youth.

Congratulations to all 2007—2008 Scholar Athletes!

Ron Dilatush NFFCHF Director of Membership

A native of Princeton NJ where as a high school senior earned numerous area and state accolades in football at West Windsor Plainsboro High School including First Team All-America Honors. At the University of Delaware, Ron participated in football and baseball and lettered for the Blue Hens top ranked baseball team.

Prior to joining the National Football Foundation, Dilatush was the National Football Commissioner for Pop Warner Little Scholars, the largest youth football program in the country. In 2004, Ron became the East Region Coordinator for the NFF and in 2006, assumed the position of Director of Membership. As Director of Membership Ron oversees the Foundations 120 chapters and the overall development of the chapter system.

Father of 3, Ron currently lives in Flower Mound Texas.

Sports: "Extremely hard worker who is a positive representation of his family, team, school and community;" Football. Honors/Activities: National Honor Society, Honor Roll, Key Club, International Club. College Future: Pennsylvania College of Technology (Graphic Communications).

2007-08 COLLEGE AWARD WINNERS

Tyler Payne, Juniata College

Tyler is the son of Tim and Cynthia Payne of Mansfield, PA. He excelled in football and baseball for North Penn High School before graduating from Mansfield High. Tyler was twice named defensive player of the year by the *Williamsport Sun Gazette*. At Juniata Tyler became a contributor early in his career. He earned time on both special teams and defense before solidifying a starting position as a junior. Prior to his senior campaign Tyler moved from linebacker to the defensive line. This move and a strong work ethic led to his most productive season at Juniata in 2007. Tyler is dedicated off the field as well. He has been involved with the PRIDE telethon and many other community service projects. He is working toward a degree in environmental science with a 3.5 GPA. His future plans include attending Penn State University to pursue a degree in civil engineering.

Corey Gildea, Lock Haven University

Corey is the son of Tim and Lori Gildea of Hollidaysburg, PA and the 2nd of five children. Corey is a 2004 graduate of Hollidaysburg Area High School where he played football for Coach John Barton. In addition to football, Corey played for the Hollidaysburg High School basketball team. While at Lock Haven, Corey was a four year starter and letter winner. His freshman year he started as a safety and was awarded the Dr. Ted Lyon's Outstanding Freshman Award. Corey moved to outside linebacker midway through his junior season. Corey was voted a team captain his senior season and led the team in tackles with 100 which ranked him third in the PSAC. While Corey made strong contributions to Lock Haven football he was also successful in the classroom. Corey's current GPA is a 3.3 and plans to graduate from Lock Haven in May 2008 with a degree in Sports Medicine. After college he plans to attain his master's in exercise science and work as an athletic trainer. In the future, Corey would like to teach in a college setting.

Jason Ganter, Penn State University

Jason Ganter just completed his fifth year as a member of Penn State's Nationally Ranked Defense. He spent his entire career playing safety, but made his mark as a special teams standout. He participated as a member of the kickoff, punt and punt return teams and also did a stint as the holder on field goals and extra points. Jason's five years of hard work paid off during the 2007 season when he earned the opportunity to see more regular playing time for the Nittany Lions. Playing in every game, he recorded a career-high four stops in the shutout win at Temple, two solo hits each against Michigan State and Florida International and one solo stop in the Senior Day win over Purdue. Ganter's legacy within the Penn State Football Program extends far beyond the football field. Jason has served the last three years as the football team's liaison for the Penn State Dance Marathon's Make a Wish Program, arranging for his teammates to fulfill a group of "Thon Kids" wish to spend an afternoon with a Penn State football player. The past two years, he has also represented his teammates as a lead organizer of the "Penn State Uplifting Athletes Lift for Life." Every July for the past five years, more than 80 members of the team have organized and competed in an 11-event strength and conditioning challenge to raise awareness and funds for the Kidney Cancer Association. More than \$135,000 has been raised the past two years, including a record total in excess of \$75,000 this past July in front of a record 3,000-plus fans, family and friends in Holuba Hall. Ganter has spent his entire life as a member of the Penn State Football Family. He is one of four sons of Fran Ganter who, after serving 33 years as a Nittany Lion Assistant Football Coach, is now in his fourth year as Penn State's Associate Athletic Director for Football. One of Jason's older brothers, Chris, played quarterback for the Lions for 2001-2004. Another older brother, Jonathan, a 1998 Central Pennsylvania Chapter National Football Foundation Scholarship recipient, played football at Princeton and a younger brother, Ben, is presently a sophomore quarterback at Cornell. Ganter was selected Academic All-Big Ten for the fourth consecutive season in 2007 and earned his degree in economics in December. He was also recently chosen by his coaches as the recipient of the teams' prestigious Outstanding Walk-On Award, presented annually to the player who best exemplifies total commitment, loyalty, hard work and courage.

Making a Difference in the Community

Our commitment to the communities we serve... University Orthopedics Center physicians volunteer the administration of sports physicals, athletic and strength training and medical coverage for football games to area high

schools. The University Orthopedics team has treated and rehabilitated professional athletes from the NBA, NFL and Major League Baseball, as well as college, high school and weekend athletes.

We're proud to support the Central Pennsylvania Chapter of the National Football Foundation and College Hall of Fame. Congratulations to all the Scholar Athletes from University Orthopedics Center.

Dr. David M. Joyner, Dr. Thomas J. Ellis, Dr. Paul V. Suhey, Dr. Kenneth L. Cherry,
Dr. Douglas E. R. Roeshot, Dr. Edwin J. Rogusky, and Dr. James S. Martin
