# Message from our President

*On behalf of the Board of Directors of the Central Pennsylvania Chapter of the National Football Foundation & College Hall of Fame, I am pleased to welcome you to our 18th annual Scholar-Athlete Awards Banquet.*

*Founded in 1947 with early leadership from General Douglas MacArthur, legendary Army football coach Earl "Red" Blaik and immortal journalist Grantland Rice, the National Football Foundation & College Hall of Fame is a non-profit education organization that operates programs devoted to the mission of using the power of amateur football in developing leadership, sportsmanship, competitive spirit and academic excellence in America's youth. Our Central Pennsylvania Chapter is one of 121 chapters nationwide involving over 12,000 members. The wide reach of our regional chapter includes 20 counties, 92 high schools and ten colleges and universities.*

*The members of our board have worked diligently throughout the past year to set the stage for today's comprehensive program. We will honor forty-eight high school scholar-athletes and award scholarships to those earning the highest rankings through their demonstrations of academic excellence, football performance and all-around leadership and citizenship. Moreover, one high school scholar-athlete will be singled out as the Joseph Sarra Community Service Award recipient for his exemplary public service. In addition, we will recognize ten college and university scholar-athletes for their achievements in the classroom, on the field and within their community. Finally, contributors to amateur football in the areas of lifetime achievement, sports journalism, athletic training and officiating will also be acknowledged.*

*All of our chapter's extensions of recognition, awards, gifts and*

*scholarships could not be possible without the generosity of our loyal donors and sponsors. Over the past 17 years, scholarships totaling \$197,000 have been distributed to selected central Pennsylvania scholar-athletes because of that generosity. Our board thanks those donors and sponsors for investing in the youth of our country and hopes you will take note of those individuals, corporations and organizations who have stepped up to support us in completing our chapter's mission.*

*Furthermore, we are appreciative to all the coaches, parents, guardians, family, friends and others gathered here today to add their congratulations and good wishes to those we honor for their accomplishments in the arena of amateur football.*

*Enjoy the banquet!*

*Ron Pavlechko,*

*President*

# Community Service Award in Honor of Joe Sarra: Coach, Friend, Advisor

Joe Sarra was a football coach for 40 years, but he has been more than just a coach to most of the players, fellow coaches and football fans he met in his career. Joe was a friend and advisor to many of his players, an honest, hard worker to his coaching colleagues, and a caring and compassionate man to the thousands of other people met over the decades. Football and family has been his passion but helping others was his avocation.

Joe is typical of the western Pennsylvania young men of his generation. They were the children of hard working blue collar families, sons of the tough and intense men who labored in the hot steel mills or underground in the dusty coal mines. Don't follow us, the fathers told them. Make something of yourself, they said. Go to college and get an education, they urged. And sports—particularly football—was the way to do it.

So, Sarra left his home in Belle Vernon, 20 miles southeast of Pittsburgh, in 1956 and entered a small college down the road, then known as California State Teachers College. He went there to play football, and to be a teacher, studying social studies education and guidance. After graduation in 1960, he stayed in the area and was hired by East Washington High School to teach social science with additional duties as the head coach of the football team. That would be the start of his lifetime dream—to coach football and teach young men.

A year later, Joe was back in his hometown as an assistant coach at Belle Vernon High School, and guidance counselor. But that wasn't enough for Sarra. He was also continuing his education, working part-time on a Master's Degree in secondary administration and counseling from the University of West Virginia, just across the state line from the football hotbeds of southwestern Pennsylvania. He did that in 1964, the same year he became an assistant coach at nearby Hempfield High School.

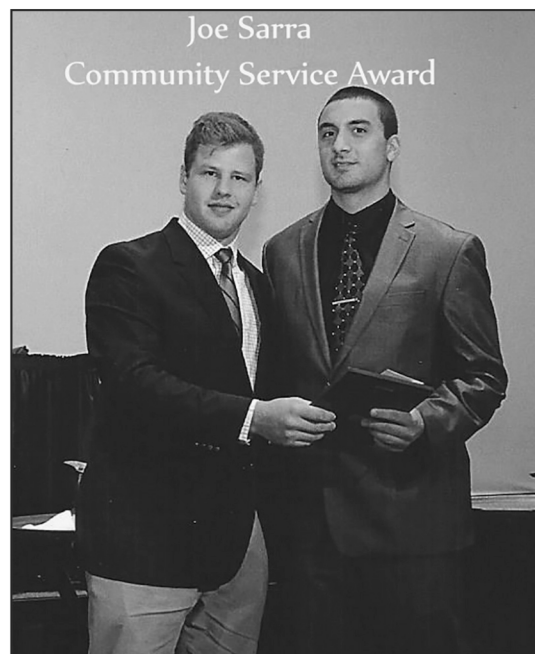

However, Joe wanted to be a head coach again. So, in 1967 he left western Pennsylvania for the hard coal region, becoming the head coach and social studies teacher at Southern Columbia High School. He loved his job but he wanted

more. He had always wanted to coach in college, and in 1970 he had his chance, when Miami University in Oxford, Ohio, hired him as an assistant. Sarra never looked back.

The next season, 1971, Lafayette University came calling, and Joe spent the next 12 years there, first as the offensive coordinator until 1975 and then as the defensive coordinator. Now, Joe really fell in love—in love with defensive coaching. Joe knew he could coach defense at a higher level.

In 1984, Penn State hired Sarra as the inside linebackers coach. Nine years later, Sarra was promoted to defensive line coach, and he stayed there through the 1999 season, when he moved into the front office as an administrator, retiring in 2005.

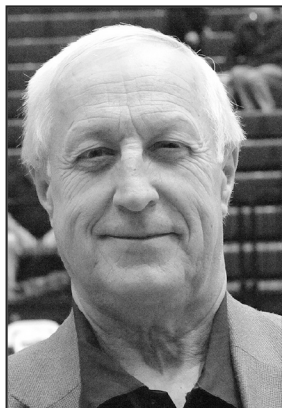

Throughout his professional career, Joe was always involved in volunteer work for the communities he lived in. Perhaps his greatest service to the community and to Penn State was his dedication to the rehabilitation of Adam Taliaferro, the Penn State cornerback who was paralyzed in a game against Ohio State in 2000. Joe was the liaison with the Taliaferro family and spent many of his days with Adam and the family in the year that Adam recovered and was able to walk again.

**CJ Curry of Berwick** is presented the 2014 **Joe Sarra Community Service Award** by Joe's grandson Joe Sarra.

# Ed Conklin

## Contribution to Football Award - Officiating

Ed Conklin started officiating with the Pennsylvania Interscholastic Athletic Association in 1978.

He has worked all levels of football from peewees to adult flag (adult flag football was the toughest as many close fights broke out without enough 'adult' supervision).

Ed has also worked all over central and north central Pa. traveling for games from the New York

stateline, Sayre HS in district 4, to Harrisburg, Northern Dauphin HS in district 3, to the Johnstown area, Westmont HS in district 6, to Bradford HS in district 10.

He started working PIAA playoff games in the 80s, and in 2014, worked a state semi-final game.

Most years Ed has worked forty (40) or so junior high, jv, and varsity games.

Ed has always done his best for the players and coaches with preparation and training being key.

Ed has also been an effective recruiter, enticing numerous others into officiating, including two sons.

Mr. Conklin has also served as a timer/score at many PIAA wrestling championships, including the PIAA State Championships. Currently, he is part of the Penn State table crew who run the clock at home wrestling meets.

Ed lives in Pine Grove Mills.

*In recognition and memory of **John T. (J.T.) White***

We wish to congratulate all scholar athletes for their tremendous accomplishments

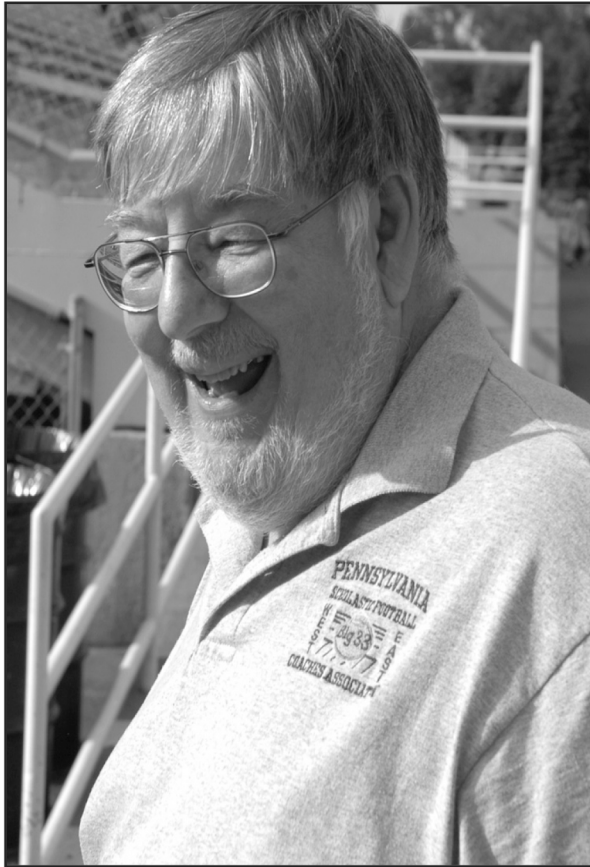

The college playing and coaching career of J.T. White spanned five decades and touched the lives of colleagues and players at three of the most prestigious educational institutions in all of college football:

- Member of The Ohio State University National Championship team in 1942
- Member of The University of Michigan Rose Bowl Championship team in 1947
- Assistant coach at The University of Michigan for six years
- Assistant coach at The Pennsylvania State University for twenty-five years

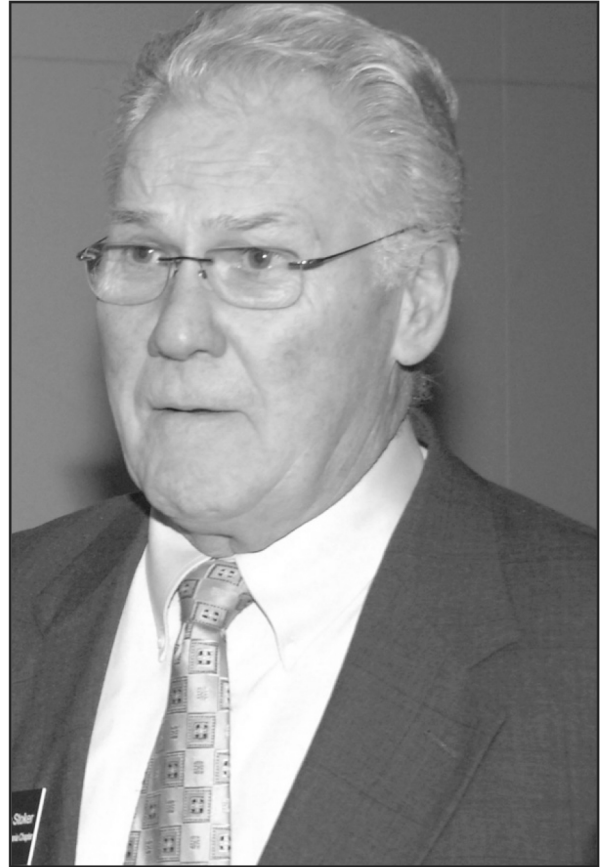

No one, in all of college football, more adequately and more appropriately exemplifies the values and the mission of the National Football Foundation and College Hall of Fame.

# Harry "Hank" Hain

(1934 - 2014)

It is with great reverence that the Central Pa. Chapter of the National Football Foundation honors the life of Harry "Hank" Hain. Hank's love of football played a central role in his life. He was a charter member and the lone lifetime member of the Central Pa. Chapter of the NFF. Hank and his wife Anna have sponsored numerous NFF scholarships through their cable company, Nittany Media. As owner of WCHX and WKVA he proudly presented the "Iron Kettle" to the winner of the Lewistown-Chief Logan football game, and subsequently the Lewistown-Indian Valley game, until they merged into Mifflin County School District. Hank graduated from Lewistown High School in 1953 where he was a standout tight end and safety.

Hank enjoyed a passion for college football as well, crossing the country many times to attend Penn State away games. Hank and Anna were recognized by Penn State as members of the Mount Nittany Society and life members of the Penn State Alumni Association. Hank gleefully served as a member of the press for the 2009 Rose Bowl in Pasadena.

It is with great pride that the Central Pa. Chapter of the National Football Foundation honors the significant life and contributions of Harry Hain to the residents of Central Pa. and to the game of football.
