PRESIDENT'S MESSAGE

Football gives every student a chance to excel. The Uni-Mart Classic All-Star Game gives the football players of central Pennsylvania the opportunity to display their football skills against the best competition in the area. Games like this prove that good football players are good football players regardless of their high school classification. On behalf of CPFCA, I thank all the sponsors for providing this game for the kids. Football builds the character which is the springboard for the rest of life. Great athletes become great American citizens.

It was a pleasure to be president of CPFCA for the 1993 - 94 school year. I believe high school athletics, and in particular football, are a major part in every student's development. Nothing in the course of a lifetime is easy. High school athletics builds the character that develops success in every endeavor.

High school football coaches are the hardest working individuals in their schools. The countless hours these coaches spend doing the extra things for their athletes is unbelievable. Every coach needs family support to give the time needed to provide a quality experience for his athletes. I thank the wives and kids for the time their husband or father spends coaching.

Most of all I thank the athletes and parents for their dedication and hard work in preparing to play the game of football. Kids must do the extra work to prepare their bodies, and parents have to provide the support and opportunity for each young man to achieve his dream of playing football.

Sincerely yours,

Howie Camberg, Moshannon
Valley
CPFCA President

SO LONG JACK BAILEY

Jack Bailey has been Head Coach at West Branch and Philipsburg-Osceola. He served as the Secretary-Treasurer for the Central Pennsylvania Football Coaches' Association through our seventh Annual Football Classic. He has remained active since resigning that position.

Thank you, Jack, for untiring efforts and constant willingness. We wish you happiness in retirement, but hope to see you back on the field soon.

Out of options

South's defense stifles North, 15-3

By RANDY JOHNSON
Times Assistant Sports Editor

One of the standard axioms about football says if you live by the forward pass, you can also die by the forward pass.

Saturday night in the Uni-Mart Football Classic, the North and South squads added a twist to that saying. It reads:

"If you live by the halfback option pass, you can also die by it, too."

In the span of a little more than one quarter, the South intercepted the halfback option pass by State College's Jeff Nixon to end a North threat, and set up its own touchdown on a similar play by Mount Union's Ferdie Vaughn. Together, the gimmicks helped the South leave Memorial Field with a 15-3 victory.

With the South leading 6-3 in the third quarter, the North drove from its 30 to the South 25. On second-and-10, Nixon took a pitch from State High quarterback Mike McQueary and looked downfield for Lock Haven's Chad Hunter. Instead, the ball found the hands of Hollidaysburg defensive back John Mowery.

"I didn't even see the guy," said the West Virginia-bound Nixon. "I saw Hunter wide open . . . I had no idea (Mowery) was there."

Midway through the fourth quarter, the South made the option pass work.

Up 8-3 after the North intentionally took a safety, Vaughn's 28-yard return of the free kick set up the South at the North 37-yard line. On the next play, Vaughn took a pitch and found Claysburg-Kimmel's Chris Claycomb for a 33-yard gain to the 4. Vaughn finished the drive — and the North's hopes for victory — with a touchdown on the next play.

"We practiced that pass every day this week," said the Army-bound Vaughn, who earned offensive MVP honors for the South. "It worked really well in practice and it worked well tonight." On the night, Vaughn rushed 17 times for 73 yards.

But as much as the chicanery affected the final score, the South's tenacious defense held the high-octane North offense in check. Led by defensive MVP Norm Huddy of Punxsutawney, the South limited the North to 159 yards of total offense.

INDIVIDUAL STATISTICS

RUSHING — South: Vaughn 17-73, Miller 6-32, Smearman 5(-30), Benton 11-40, Hyle 3-6, Elliott 1-3. North: Nixon 12-74, McQueary 10(-7), Galitski 10-41, Stone 4-4, Gilmore 2-13, Mellinger 1(-2).
PASSING — South: Smearman 5-9-120-1-1, Elliott 1-5-6, Vaughn 1-1-33. North: McQueary 3-11-14, Kurzinger 1-4-8, Nixon 0-2-0-1.
RECEIVING — South: Berardinelli 1-78, Laret 2-17, Loucks 2-24, Claycomb 1-33. North: Mellinger 1-3, Nixon 1-4, Hunter 1-8, Anderson 1-7.

Consider these numbers:

The North rushed 39 times for 113 yards — less than three yards a pop.

The North passed 17 times and completed five for 22 yards — 1.29 yards per attempt.

"The defense," said Altoona's John Franco, the South's head coach, "played a great game; they won it for us."

Added Lock Haven's Mike Packer, the head coach for the North, "We just could never get out offensive rhythm. We couldn't get into synch."

Franco, who feared the North "could put up 40 points on the board," saw his defense make sure that didn't happen. Although the explosive Nixon — who earned offensive MVP honors for

the North — had 49 yards on six carries in the first half, he and his teammates were held to 39 rushing yards after intermission.

The South set its defensive tone from the start.

After South quarterback Scott Smearman coughed up a first-quarter fumble at his own 39-yard line, the North could only manage an unsuccessful 28-yard field goal attempt by Penns Valley's Robert Sauerwein.

On the South's ensuing possession, the North appeared to get a break when Lock Haven's Joe Caruso intercepted Chris Elliot at the North 49. That play, however, turned ugly for the North when Caruso tore a pair of ligaments in his left knee.

Caruso's injury left the North with one less quarterback and a deficiency in enthusiasm. "He's been a leader all year and a leader this week in practice . . . The level of our intensity dropped," Packer said.

When the South got the ball back, it quickly converted.

Facing second-and-nine from his own 22, Smearman spotted Bishop Guilfoyle's Scott Berardinelli down the left sideline for a 78-yard touchdown strike. Bald Eagle Area's John Tobias blocked the extra point, but the South led 6-0.

The North threatened when Penns Valley's Shanon Manning — the North's defensive MVP with four sacks — decked Smearman and knocked the ball loose. State High's Dave Rocco scooped up the ball and rambled to the South 23 with 1:01 left in the second quarter.

However, the drive stalled at the 9 and the North settled for Sauerwein's 23-yard field goal.

"The key to our defense was that we had a lot of good players," Franco said. "We were underdogs and we stayed with them."

Player Selection

Players are selected for this game by the members of the Central Pennsylvania Football Coaches Association through a multi-step process:

1. Players are nominated in writing in December and January. Each school may have no more than five players participate.
2. A representative of each member school must attend at least 3 CPFCA meetings before players are eligible.
3. Players nominated are polled to ascertain that they will play if selected.
4. Each school's coach is asked to make one "automatic selection." This player will definitely be named for the game.
5. Members of the association select coaching staffs from among schools in each division—North and South.
6. After film review and with advice from the game staff, the balance of the players are selected by a consensus of the division selection committee.

All-Star History

On August 6, 1960, the Central Counties Conference All-Star game was played at Bellefonte. Forty-three players representing 14 schools participated. This seems to have been the first All-Star football game for Central Pennsylvania. It was sponsored entirely by Bellefonte Area Businesses to raise money for the YMCA and the Community Betterment Fund.

In 1977 and again in 1978, the Lewistown Area Lions Club sponsored a regional All-Star game that involved Blair, Centre, Clinton, and Huntingdon county schools. Those were "great football games" but less than successful financially.

The Central Pennsylvania Football Coaches Association membership instituted the Mid-State Football Classic in 1985. This game was initiated to promote football, to recognize excellence in regional football performance, and to fund a program of scholarships and ongoing football education.

In 1993 Uni-Marts, Inc. became the major sponsor. Thus the name of the game changed to reflect that major sponsorship. The Central Pennsylvania Football Coaches Association still does the football and organizational parts of the game.

To date \$28,000 in the form of 56 scholarships has been awarded to help young people continue their educations. The CPFCA holds monthly mini-clinics for high school and youth league coaches. Players talk about playing in the Uni-Mart Football Classic as they prepare for their senior seasons. It would seem that the goals are being approached.

The degree to which the game and the CPFCA can work toward these goals will depend upon the support we continue to receive. Our gratitude is extended to our co-sponsors and business advertisers, to individual player sponsors and patrons, and to football fans. You make it all work!

UNI-MART FOOTBALL CLASSIC GAME RULES

OFFENSIVE RESTRICTIONS:

Must play with balanced line. There must be three men on either side of center on the line of scrimmage. The offense may not align in trips, but motion is permitted.

Each team must attempt passes at least 30% of the offensive plays. Percentages will be checked midway through the third quarter. If under the 30% passes have been thrown, each non-pass play will be penalized as unsportsmanlike conduct until the percentage is met and at least held.

Forced scrambles and sacks shall be counted as pass percentage.

DEFENSIVE RESTRICTIONS:

Must align in basic 5-2 with a man on the center, a man on each tackle, a man on each end (or outside the defensive tackle on a split end side).

Linebackers must be over the guards and deeper than the heels of the defensive tackles.

Secondary may be man or zone in any desired scheme.

Defensive ends (one or both may drop for pass coverage but) must start in alignment outside defensive tackle on or off the line. There shall be no blitzing or shooting linebackers or secondary. Slanting & Looping by front five is permitted.

SPECIAL FOR KICKING GAME:

In kicking situations the linebackers may move up onto the line of scrimmage, and the secondary may move up (but must stay outside the defensive end); however, no more than 7 may rush on any one play.

SPECIAL FOR GOAL-LINE:

Anytime the offense has less than three yards to go for a first down or a touchdown, the linebackers may move as close to the line as desired, and the secondary may place two

men on the line (secondary men must be outside the defensive end.)

SCORING DIFFERENTIAL RULE:

After a score by either team, a team that is behind by 9 or more points will have the choice to kick-off or receive.

PLAYING TIME:

Each player must participate for at least 15 plays.

TIE-BREAKER:

If the score is tied at the end of regulation play it will stand as a tie.

Who Does It And Where Does It Go?

There are valid questions frequently asked about all-star games and non-profit organizations. How are receipts from the game used? Who gets paid and who donates products and services? Why does it cost so much? Although these inquiries are usually directed to the game management, they have already been asked by the game management.

The expenses of conducting the game are significant. Insurance, stadium rental and game personnel, mementos for the players and coaches, and mailing and information distribution costs all must be paid. The CPFCA has established a goal to award at least six \$500 scholarships annually. Whenever good attendance or special sponsorships permit, the number of scholarships is increased.

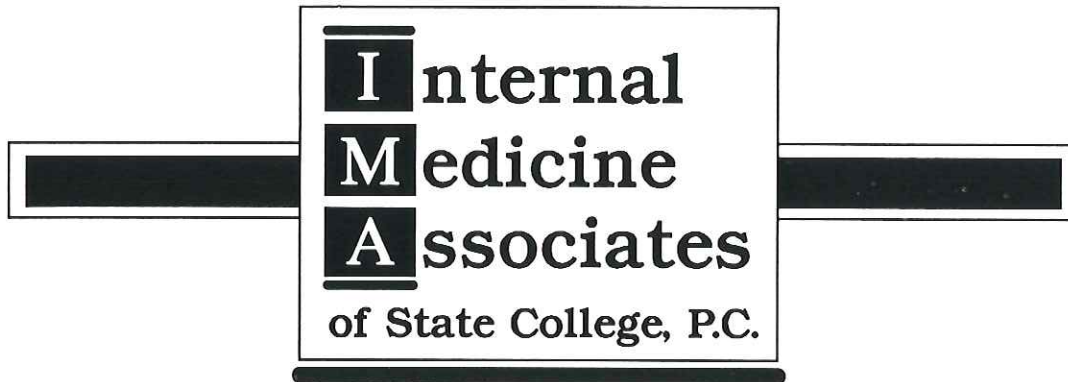

The Big 33 Scholarship Foundation, Inc. is a recognized, tax exempt, non-profit organization that administers over 100 scholarships each year. The CPFCA has decided to have this foundation issue the Mid-State Classic Scholarships to serve as an additional safeguard for our own tax exempt status, and an additional check that funds are distributed and credited in the proper manner. This service is at no cost to us.

No travel reimbursements, housing, or other individual expenses are paid by the game. The players, coaches and others involved are doing things because they want to help. Most football people believe they owe to the game something for what they have gotten from it. While it would be difficult to adequately describe either what one gets or how it is paid back, the Classic gives many an opportunity to help.
