Special teams key as North downs South in Lezzer Football Classic

By Adam Gearhart
Centre Daily Times

Altoona – The last high school game for all the players involved in the 16th annual Lezzer Lumber Classic made for a special night.

As for the teams it was special as well – special teams that is – as the North beat the South, 20-6, on Saturday night at Mansion Park.

Each team had kicked two field goals by half-time, including a 53-yarder by State College’s David Kimball, who is heading to Penn State. Kimball had five touchbacks – two through the uprights – and put the first points on the board with a 31-yarder at the 10:55 mark.

“The special teams were tremendous,” said North coach Tom Gravish, Bellefonte Area High School’s coach. Those field goals and two touchdowns for the North was all the scoring for the first half and the game. Bellefonte’s Tom McKee caught a 19-yard score from Clearfield quarterback Derrick Yohe. DuBois’ Justin Marshall, voted the offensive MVP for the North, had a 5-yard run for the other touchdown. He finished with 14 carries for 73 yards.

“No, I wasn’t expecting a scoreless second half,” South coach John Barton said.

Huntingdon’s J.B. Gibboney, who will try to walk on at Pitt as a place kicker, hit from 27 and 35 yards for the South’s only points. His first field goal was set up by a 70-yard kickoff return.

Also on display in the first half, was the leg of North’s Jon Condo, a University of Maryland

recruit. The Philipsburg-Osceola grad booted an 80-yard punt, launching it from his own 5, landing it at the 22 and bouncing it to the 5. He was credited with 80 yards because the yardage starts at the line of scrimmage not where he kicked it from. Condo had five punts for a 48.8 average.

“I just knew I had to get it out of there,” Condo said of the 80-yard punt. “I knew we were up I think by three at the time. I just had to get it up there and try to get 10 guys down there.”

Condo also finished with eight tackles and a fumble recovery. Those stats along with his punting earned him the North squad’s defensive MVP.

Two other players who were in the running were Bald Eagle Area’s Jesse Nagle and Ron Carlson. Nagle, who is heading to Lock Haven, had two fumble recoveries, three pass break-ups, three tackles and an interception. Carlson finished with two interceptions.

Condo, Carlson, and Nagle’s performances were just a part of the eight turnovers – four fumbles and four interceptions – that the North forced.

“That was our goal all week long. We worked on causing turnovers,” Gravish said. “. . . Jesse Nagle played an outstanding game.

The top players for the South were Altoona’s Kris Fideli, who finished with five catches for 162 yards to win the offensive MVP and Hollidaysburg’s David Pisanick, who was the South’s defensive MVP.

PLAYER AND COACHES SELECTION

Players and coaches are selected for the game by members of the Central Pennsylvania Football Coaches Association. They require that a representative attend a minimum of three CPFCA meetings before a player is eligible. Players from schools failing to meet the minimum participation requirements are not eligible for the following year.

Player Selection:

1. Graduating Senior players are nominated in writing by their head coach in December.
 - a. Each school may have no more than five players participate.
2. Players nominated are polled to ascertain that they will participate if selected.
3. Coaches from schools in each division review the nominated players and the forty players are selected by a consensus of the selection committees. (A player from each eligible school will be selected to participate in the game.)

Coach Selection:

1. Members of the association select the coaching staff from member schools in each division -- North and South.
2. The coaching staffs for each division consist of a Head Coach and five Associate Coaches.

A Classic History

Previous Central Pennsylvania All-Star Football games such as the 1960 Central Counties and the 1977-78 Lewistown Lion Club were "great football games," but were short lived.

In 1985, the Central Pennsylvania Football Coaches Association, with J. Gawen Stoker as the Game Director, initiated the Mid-State Classic under the corporate sponsorship of the Mid-State Bank. The game was established to promote scholastic football, to recognize excellence of our players and coaches, to provide a system of ongoing football education for our coaching staffs, and to fund a scholarship program. The first game involved players from twenty-five schools. Uni-Mart replaced Mid-State Bank as the game sponsor in 1993. Since 1996, Jack Bailey and Rob Irwin have served as Co-Game Directors for the Classic.

In 1998, the Lezzer Lumber Company became the major sponsor for the Classic with the CPFCA maintaining the football and organizational aspects of the game. We are proud to continue our association with the Lezzer Lumber as the corporate sponsor. Currently, there are thirty schools from District III, VI and IX involved in the game. To date, \$54,000 in the form of 108 scholarships have been awarded to help young people continue their education. The CPFCA holds monthly mini-clinics for high school and youth coaches during the winter months. To the players and coaches, being selected to participate in the "Classic" is held in high regard. It would seem that the goals for the Classic are being realized. The degree to which the game and the CPFCA can work toward these goals will depend upon the support we continue to receive.

The Lezzer Lumber Classic is considered as one of the premiere all-star football games in Pennsylvania. It is a tribute to our sponsors and co-sponsors, to the individual players sponsors, the business card and patron sponsors, and to families and friends of scholastic football in the Central Pennsylvania region. Please patronize our supporters, and let them know that you appreciate their contributions to the Classic when you visit their businesses.

YOU MAKE IT ALL WORK!

CLASSICAL FINANCIAL STATEMENT

How are the funds raised?
Where does the money go?

The Central Pennsylvania Football Coaches Association (CPFCA) is recognized as a non-profit organization. The CPFCA has been the administrative organization promoting and conducting the Classic over the past seventeen years. Annually the receipts and expenditures for the operation of the game are in the \$25,000 to \$30,000 range.

There are three avenues of revenue for the Classic -- 1) individual player sponsors provide for the one-third of the funds, 2) Game Sponsor and Co-Sponsors contributions equate to one-fourth of the revenue, and 3) the promotional component, including advertisers, business card and patron sponsors, sale of promotional items such as hats, T-shirts, and game program, video, and ticket sales constitutes the remainder of the revenues.

On the expenditure side, player expenses including game jerseys, practice meals, player commemorative awards, insurance coverage, and scholarship awards account for forty percent of the costs. An additional forty percent of the expenses are related to field rental, game site personnel, purchase of promotional items, and game program printing costs. The rest of the expenses are associated with coaching expenses, promotional fees, and administrative costs.

Basically, the game is a result of efforts of individuals from the thirty school comprising the Central Pennsylvania region working for continued success of the Lezzer Lumber Classic.

LEZZER LUMBER FOOTBALL CLASSIC GAME RULES

OFFENSIVE RESTRICTIONS:

Must play with a balanced line. There must be three men on either side of center on the line of scrimmage. The offense may align in or motion to trips formation as long as one running back remains aligned in the backfield between the tackles. Each team must attempt passes on 30% of the offensive plays. Percentages will be checked midway through the third quarter. If under the 30% passes have been thrown, each non-pass play will be penalized as unsportsmanlike conduct until the percentage is met and maintained.

Forced scrambles and sacks shall be counted as pass percentage.

DEFENSIVE RESTRICTIONS:

Must align in basic 5-2 with a man on the center, a man on each tackle, a man on each end (or outside the defensive tackle on a split end side.) Linebackers must be over the guards and deeper than the heels of the defensive tackles. Secondary may be man or zone in any desired scheme. Defensive ends (one or both may drop for pass coverage) but must start in alignment outside defensive tackle on or off the line. There shall be no blitzing or shooting linebackers or secondary. Slanting & Looping by front five is permitted.

SPECIAL FOR KICKING GAME:

In kicking game situations the linebackers may move up onto line of scrimmage, and the secondary may move up (but must stay outside the defensive end): however, no more than 7 may rush on any one play.

SPECIAL FOR GOAL-LINE:

Anytime the offense has less than three yards to go for a first down or a touchdown, the linebackers may move as close to the line as desired, and the secondary may place two men on the line (secondary men must be outside the defensive end). After a score by either team, a team that is behind by 9 or more points will have the choice to kick-off or receive.

PLAYING TIME:

Each player must participate for at least 15 plays.

TIME SPECIFICATIONS:

Quarters 1 and 3 will be 12 minutes

Quarters 2 and 4 will be 15 minutes

TIE BREAKER:

If the score is tied at the end of regulation play it will stand as a tie.

GOOD LUCK
