PRESIDENT'S MESSAGE

A hearty welcome to all high school football fans, parents, coaches, players, friends, cheerleaders, and anyone else associated with tonight's game. The Central Pennsylvania Football Coaches Association thanks you for your attendance and support of the 19th Annual Lezzer Lumber Football Classic. Tonight's contest promises to be an exciting and fun-filled event.

The Lezzer Lumber Football Classic brings together some of the finest graduating senior athletes from various central Pennsylvania high schools. The participants in tonight's game have represented their schools and communities well on the playing field during their high school careers. Tonight, they have the opportunity to enter the athletic arena one final time as high school athletes. These young men are to be commended for the passion, discipline, and effort needed to successfully compete in the great game of football.

Tonight's event could not be staged without the overwhelming support and generosity of the many sponsors listed in the program, especially our good friends at Lezzer Lumber. These sponsors are truly interested in the youth of our area. Also, recognition is due to Jack Bailey and Rob Irwin for the many hours they spent in the preparation and organization of tonight's game.

Lezzer Lumber and the Central Pennsylvania Football Coaches Association are proud to present tonight's football game. Sit back and thoroughly enjoy what will certainly be an interesting and entertaining evening of central Pennsylvania high school football!

Sincerely,
 Steve Turchetta

South drops North 34-19 in annual all-star battle

Centre Daily Times

By Todd Ceisner

ALTOONA – It was like watching an episode of “Junkyard Wars,” the Learning Channel series that matches the wits of mechanical know-it-alls as they try to piece together a pile of odd parts in hopes of creating a fine-tuned hunk of machinery.

Except Friday night at Mansion Park, the know-it-alls were the coaches and their pile of parts was more than 70 football players, hand-picked to take part in the Lezzer Lumber Football Classic.

Both sides had able-bodied parts but the South had a little more ethanol in its tank as it defeated the North and its 14 Centre County players, 34-19.

Power football was nowhere to be seen as the two teams combined for 582 yards passing, including 321 from the South. The South attack was led by Central’s Wes Krider, the team’s offensive MVP after throwing for 192 yards and a touchdown and running for another.

Krider was not the only offensive standout. North wide receiver Jon Pribble (Ct. Mt.) caught 13 passes for 160 yards and a touchdown in earning offensive MVP honors. Also, Ryan Ricks (State College) caught nine passes for 72 yards.

North quarterback Brandon Ream (State College) completed 14-of-21 for 117 yards in leading the North to two second-half while Stewart Sampsel (Bellefonte) threw for 144 yards of 12-of-27 passing.

Afterwards, it was hard to tell who had won and who had lost.

“That scoreboard doesn’t mean anything,” said Dan Lyons (Bald Eagle Area), who had an interception in the late stages of the fourth quarter. “It was an excellent experience. Everybody should want to play their best during the season because if you’re not going to school, this is the big game.” “The score doesn’t have anything to do with it,” said North lineman Chris Foley (Philipsburg-Osceola). “It was just a great opportunity for all of us.” The South had five plays that covered 37 yards or more, including Krider’s 67-yard connection with Josh Price (Juniata Valley) for a 14-0 lead early in the second quarter.

The South’s lead ballooned to 22-0 on its next possession as Adam James (Bishop Guilfoyle) plowed in from three yards out.

The North finally broke through with 5:13 left in the half when Dereck Marshall (DuBois) busted four tackles on his way to a 39-yard touchdown, cutting the lead to 22-6. “It was a game of big plays,” said North coach Tim Janocko. “Maybe they made some more big plays that we did but we were always just a second or a hair away from that last big play we needed.” The North opened the second half with an impressive 12-play 69-yard drive that saw Ream hit Pribble in the left corner of the end zone for a four-yard score. The teams traded possessions until 10:11 of the fourth when Krider crashed over the goal line to put the game away at 28-13.

Marshall scored the North’s final touchdown on a one-yard plunge with 2:01 left. That came after the Travis Boyd (Juniata Valley) hit John Boyer (Indian Valley) with a 40-yard wide receiver option play. It seem every time Ream or Sampsel dropped back, their eyes zeroed in on Pribble, who came up two yards shy of setting the single-game receiving record. Hollidaysburg’s Dylan Crilly was voted the South’s top defensive player with two interceptions and a fumble recovery while Lance Thompson (Moshannon Valley) was named the North’s top defender.

QB’s looking sharp even if spelling isn’t

ALTOONA -- The name on the back of Brandon Ream’s jersey may have been just a little off Friday night but the former State College quarterback was mostly on his game in the Lezzer Lumber Classic.

Ream proved efficient in running the short passing game, leading the North squad to two of its three touchdowns in a 34-19 loss at Mansion Park. The 6-foot-3, 190-pound Ream completed 14 of 20 passes for 119 yards and a touchdown.

Even the misspelled “Reams” didn’t bother him. “It happened in sixth grade too so it just brings back old memories,” Ream said. “I didn’t change it, I didn’t complain.” Just two of Ream’s passes went for more than 20 yards and 10 were for six yards or less in a West-Coast style of offense that Ream loved playing. “They were playing so deep on us that all the short stuff was open so we took advantage of it,” Ream said. Ream threw a four-yard touchdown strike on a third quarter fade to Jon Pribble of Central Mountain, who bobbled the ball a couple of times before hauling in the six points in the left corner of the end zone for one of his 13 catches.

“We’ve been practicing it all week,” said Ream, who started just his senior season after backing up Chris Ganter. “Just lay it up for him and Pribble will go up and get it and he did.”

Ream and former Bellefonte quarterback Stewart Sampsel split time for the North, which nearly threw the ball as much as coach Tim Janocko advertises to the players. “He said we’d be throwing the ball 75 percent of the time and that just lit up my eyes because I love to throw,” said the 6-foot-four Sampsel.

The North attempted to play pitch-and-catch on 63 percent of its plays with sometimes mixed results. Sampsel, who will play on scholarship at the University of Buffalo, completed 12 of 27 passes for 144 yards and two interceptions and took a beating under heavy pressure for much of the night.

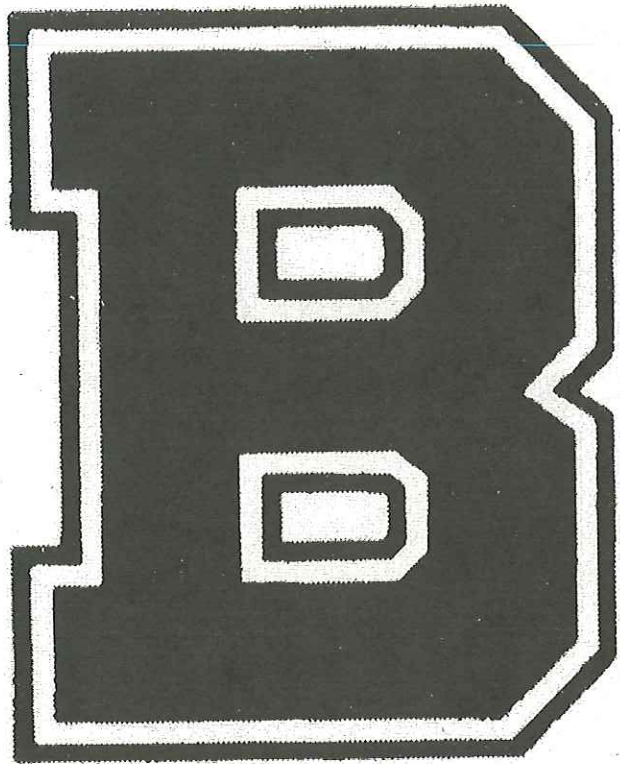

“I don’t think some of us were on the right page all the time,” Sampsel said. “That happens when you’re introduced to a new offense and guys don’t always see things eye-to-eye but we did all right.”

Janocko thought both of the quarterbacks he played picked up this offense well for the short preparation time.

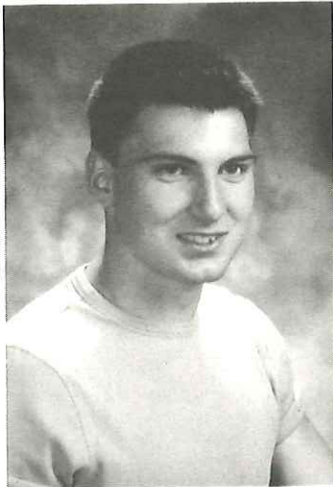

“We threw a lot out there,” he said. “We had a lot of different formations and a lot of different schemes and I thought the quarterbacks played real well.”

Ream is an invited walk-on at Penn State, where he expects to work at punter. He averaged 39 yards on three punts Friday on a night when he may have thrown his last significant pass.

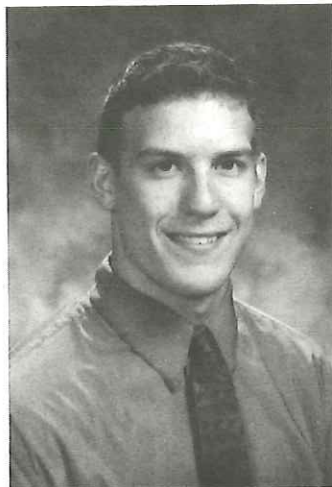

“I could probably throw some balls in practice at Penn State,” Ream said, “but not likely.”

A Classic History

Previous Central Pennsylvania All-Star Football games such as the 1960 Central Counties and the 1977-78 Lewistown Lion Club were "great football games," but were short lived.

In 1985, the Central Pennsylvania Football Coaches Association, with J. Gawen Stoker as the Game Director, initiated the Mid-State Classic under the corporate sponsorship of the Mid-State Bank. The game was established to promote scholastic football, to recognize excellence of our players and coaches, to provide a system of ongoing football education for our coaching staffs, and to fund a scholarship program. The first game involved players from twenty-five schools. Uni-Mart replaced Mid-State Bank as the game sponsor in 1993. Since 1996, Jack Bailey and Rob Irwin have served as Co-Game Directors for the Classic.

In 1998, the Lezzer Lumber Company became the major sponsor for the Classic with the CPFCA maintaining the football and organizational aspects of the game. We are proud to continue our association with the Lezzer Lumber as the corporate sponsor. Currently, there are thirty schools from District III, VI and IX involved in the game. To date, \$61,000 in the form of 122 scholarships have been awarded to help young people continue their education. The CPFCA holds monthly mini-clinics for high school and youth coaches during the winter months. To the players and coaches, being selected to participate in the "Classic" is held in high regard. It would seem that the goals for the Classic are being realized. The degree to which the game and the CPFCA can work toward these goals will depend upon the support we continue to receive.

The Lezzer Lumber Classic is considered as one of the premiere all-star football games in Pennsylvania. It is a tribute to our sponsors and co-sponsors, to the individual players sponsors, the business card and patron sponsors, and to families and friends of scholastic football in the Central Pennsylvania region. Please patronize our supporters, and let them know that you appreciate their contributions to the Classic when you visit their businesses.

YOU MAKE IT ALL WORK!

CLASSICAL FINANCIAL STATEMENT

How are the funds raised?
Where does the money go?

The Central Pennsylvania Football Coaches Association (CPFCA) is recognized as a non-profit organization. The CPFCA has been the administrative organization promoting and conducting the Classic over the past seventeen years. Annually the receipts and expenditures for the operation of the game are in the \$25,000 to \$30,000 range.

There are three avenues of revenue for the Classic -- 1) individual player sponsors provide for the one-third of the funds, 2) Game Sponsor and Co-Sponsors contributions equate to one-fourth of the revenue, and 3) the promotional component, including advertisers, business card and patron sponsors, sale of promotional items such as hats, T-shirts, and game program, video, and ticket sales constitutes the remainder of the revenues.

On the expenditure side, player expenses including game jerseys, practice meals, player commemorative awards, insurance coverage, and scholarship awards account for forty percent of the costs. An additional forty percent of the expenses are related to field rental, game site personnel, purchase of promotional items, and game program printing costs. The rest of the expenses are associated with coaching expenses, promotional fees, and administrative costs.

Basically, the game is a result of efforts of individuals from the thirty school comprising the Central Pennsylvania region working for continued success of the Lezzer Lumber Classic.

LEZZER LUMBER FOOTBALL CLASSIC GAME RULES

- OFFENSIVE RESTRICTIONS:** Must play with a balanced line. There must be three men on either side of center on the line of scrimmage. The offense may align in or motion to trips formation as long as one running back remains aligned in the backfield between the tackles. Each team must attempt passes on 30% of the offensive plays. Percentages will be checked midway through the third quarter. If under the 30% passes have been thrown, each non-pass play will be penalized as unsportsmanlike conduct until the percentage is met and maintained.
- Forced scrambles and sacks shall be counted as pass percentage.
- DEFENSIVE RESTRICTIONS:** Must align in basic 5-2 with a man on the center, a man on each tackle, a man on each end (or outside the defensive tackle on a split end side.) Linebackers must be over the guards and deeper than the heels of the defensive tackles. Secondary may be man or zone in any desired scheme. Defensive ends (one or both may drop for pass coverage) but must start in alignment outside defensive tackle on or off the line. There shall be no blitzing or shooting linebackers or secondary. Slanting & Looping by front five is permitted.
- SPECIAL FOR KICKING GAME:** In kicking game situations the linebackers may move up onto line of scrimmage, and the secondary may move up (but must stay outside the defensive end); however, no more than 7 may rush on any one play.
- SPECIAL FOR GOAL-LINE:** Anytime the offense has less than three yards to go for a first down or a touchdown, the linebackers may move as close to the line as desired, and the secondary may place two men on the line (secondary men must be outside the defensive end). After a score by either team, a team that is behind by 9 or more points will have the choice to kick-off or receive.
- PLAYING TIME:** Each player must participate for at least 15 plays.
- TIME SPECIFICATIONS:** Quarters 1 and 3 will be 12 minutes
Quarters 2 and 4 will be 15 minutes
- TIE BREAKER:** If the score is tied at the end of regulation play it will stand as a tie.
