PRESIDENT'S MESSAGE

Football fans! Welcome to the 2008 Lezzer Lumber Football Classic. The Lezzer Classic has been an important part and tradition of high school football in our region for well over twenty years. This game gives many of our outstanding players from the region the opportunity to showcase their talents one last time at the high school level. It also gives our student/athletes the opportunity to build comradery and friendships with those they have competed against for many years.

None of this evening's events would be possible without the support and generosity of our primary sponsor Lezzer Lumber. In addition, please take note of the many sponsors listed in the program. They have been and continue to be the backbone of tonight's Classic. I would like to take this opportunity to thank them for all they do. Also, what has been true in past games continues to be true tonight. This year's Classic would not be possible without the tireless work and countless hours put in by Mr. Jack Bailey - Game Director and Mr. Robert Irwin - Treasurer, Central Pennsylvania Football Coaches Association. All the members of the CPFCA are grateful for their good works.

A few final thoughts. For some tonight is the end of a cherished high school football career. For others it is the preamble of a college football career. Either one, remember that both squads and coaching staffs have spent many hours in preparation for tonight's game. Respect and appreciate their efforts. Thank you for your attendance this evening. Enjoy tonight's game and support high school football.

Sincerely and with respect,

Dick Baronner
2007-2008 CPFCA President

Fumbles, quick strikes give South victory in all-star showdown

By Todd Ceisner
Centre Daily Times
June 16, 2007

HOLLIDAYSBURG -- It wasn't pretty but it was effective.

And in an all-star game setting, effective is good.

The South rushed for 247 yards and scored two touchdowns in the span of 15 seconds in the third quarter to come away with a 35-21 victory in the 23rd Lezzer Lumber Classic at Tiger Stadium on Friday night.

If this game were a cooking show, the main topic would have been slow-cooker recipes because the South's stable of meaty running backs tenderized the North's defense for long stretches, most notably in the heart of the fourth quarter when the South ran it 13 straight times to cover 59 yards, a drive that was capped off by an 8-yard touchdown from Altoona's Reggie Mencer, a load at 5-foot-10, 220 pounds. The scoring march put the South ahead by two touchdowns and seemed to sap the life from the North.

"I like running a big back set so it was real easy to take those guys," said South head coach John Barton, who coached on his home field at Hollidaysburg. "I knew I would do something like that and it worked out real well.

"I'm a defensive guy first and that's why I like to run the football. If you got more points for passing, then I'd do it but you don't get any more points."

The strategy to keep it on the ground seemed to wear down the North defense in the latter stages.

"With only a week's practice and being in the trenches like that, playing every play wears you down but it was effective," said State College defensive tackle Jack Crissman.

Technically, the South didn't meet the game requirement that says teams must pass on 30 percent of its plays -- the South passed on 17 of its 66 offensive snaps or 25.8 percent -- but when it did throw, it was successful at that, too. Quarterback Tyler Mansberger of Southern Huntingdon completed 5 of 10 passes for 88 yards and two touchdowns.

The game's turning point came seconds after Mansberger's second touchdown pass of the night, a 16-yard strike to Hollidaysburg's Jared Wilson at the 11:12 mark of the third quarter that put the South ahead for the first time at 21-14.

Bishop Guilfoyle's Jacob Librizzi, a State College native, kicked off to Curwensville's Shawn Sopic, who rumbled to his own 30 where he was met by a wave of South defenders. As he tried to break through, the ball was stripped away and it bounced right to Librizzi, who scooped it up and returned it up the sideline for a 35-yard touchdown.

"It wasn't a real good kick and the guy brought it back and he broke some tackles," said Librizzi, who had a touchdown run on the previous drive wiped out by penalty. "Then he hit our second line of defense and we had six guys on the ball. They just stripped it and the ball popped out and I just happened to be trailing on that side. I saw it bounce and I just picked it up. I thought it was a dead ball so I didn't know what to do with it. Then my instincts kicked in and I just outran everybody."

Said North head coach Chris Dworek of Brookville, "Shawn's tough. He was just trying to break another tackle. It was just one of those bad breaks."

It was the most points scored by the South in the series, matching its total from three years ago, and the victory gave the South a 12-11 lead in the series.

"It was a lot of fun, a real enjoyable game," said Librizzi, who was named the South's Offensive Most Valuable Player after rushing for 39 yards on five carries.

The South's Nam Shartzter of Indian Valley led all rushers with 58 yards on 13 carries.

Tyler Ross of Brookville made four receptions for a game-high 106 yards to take offensive MVP honors for the North.

Sopic was the North's defensive MVP while Wes Plummer of Altoona won the honor for the South.

The first half was evenly played for the most part, save for two South interceptions, the first of which proved costly.

The North got nothing out of a 12-play drive to open the game but Sopic made up for that after Mansberger tried to throw back across the field after being flushed from the pocket by Central Mountain's Ty Traister. Sopic intercepted the pass and returned it 50 yards for the game's first touchdown at the 8:18 mark of the 15-minute first quarter.

"That was big," said Crissman, who will play at Lock Haven in the fall. "Everybody fed off that. The offense picked it up after that."

The South answered with a nine-play, 80-yard march, the last 49 coming on a touchdown pass from Tyler Mansberger to Central's Kody Stiffey with 2:56 left in the first quarter.

The South then executed an onsidest kick but went three-and-out, only to pin the North at its own 5 with a 42-yard punt by Southern Huntingdon's Jordan Yohn.

The North offense finally got back on the field with 1:06 to go in the first. Ten plays later, Curwensville's Nick Sipes spun into the end zone from 5 yards out to put the North back ahead 14-7.

The drive was fueled by an impressive passing game from quarterbacks Andrew Janocko of Clearfield and Kyle Turchetta of Central Mountain.

A Janocko to Ross connection netted 23 yards on the first play and served as a sign of things to come. The two connected again for 19 yards on the final play of the quarter to get the North near midfield.

With Turchetta now under center, he hit Adam Jury for 21 yards on a third-and-17 to keep the drive alive. Three plays later, Turchetta hit Ross for 38 more yards to the South 5, setting up Sipes' score.

The South rolled down the field on its next drive, chewing up nearly 6 minutes to go 77 yards in 13 plays and capping it off with Tyler Gillmen's 6-yard burst to the right pylon to tie the game at 14.

FOOTBALL

AND THE FOOTBALL BOOSTERS
CONGRATULATIONS ON YOUR
SELECTION TO THE CLASSIC

A Classic History

Previous Central Pennsylvania All-Star Football games such as the 1960 Central Counties and the 1977-78 Lewistown Lion Club were "great football games," but were short lived.

In 1985, the Central Pennsylvania Football Coaches Association, with J. Gawen Stoker as the Game Director, initiated the Mid-State Classic under the corporate sponsorship of the Mid-State Bank. The game was established to promote scholastic football, to recognize excellence of our players and coaches, to provide a system of ongoing football education for our coaching staffs, and to fund a scholarship program. The first game involved players from twenty-five schools. Uni-Mart replaced Mid-State Bank as the game sponsor in 1993. Since 1996, Jack Bailey and Rob Irwin have served as Co-Game Directors for the Classic.

In 1998, the Lezzer Lumber Company became the major sponsor for the Classic with the CPFCA maintaining the football and organizational aspects of the game. We are proud to continue our association with the Lezzer Lumber as the corporate sponsor. Currently, there are thirty schools from District III, VI and IX involved in the game. To date, \$83,000 in the form of 166 scholarships have been awarded to help young people continue their education. The CPFCA holds monthly mini-clinics for high school and youth coaches during the winter months. To the players and coaches, being selected to participate in the "Classic" is held in high regard. It would seem that the goals for the Classic are being realized. The degree to which the game and the CPFCA can work toward these goals will depend upon the support we continue to receive.

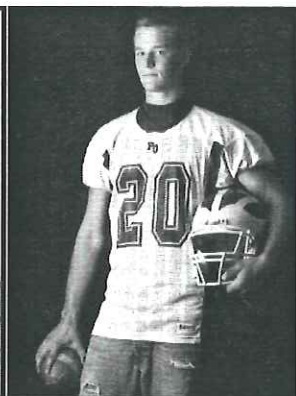

The Lezzer Lumber Classic is considered as one of the premiere all-star football games in Pennsylvania. It is a tribute to our sponsors and co-sponsors, to the individual players sponsors, the business card and patron sponsors, and to families and friends of scholastic football in the Central Pennsylvania region. Please patronize our supporters, and let them know that you appreciate their contributions to the Classic when you visit their businesses.

YOU MAKE IT ALL WORK!

CLASSICAL FINANCIAL STATEMENT

How are the funds raised? Where does the money go?

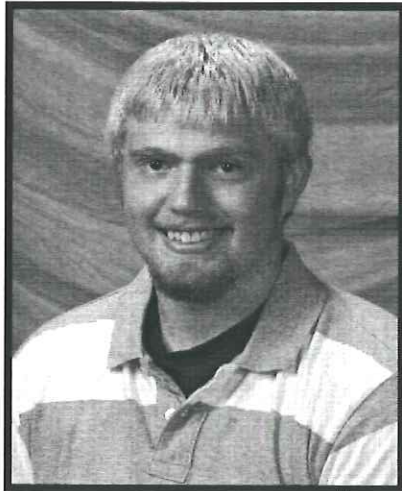

The Central Pennsylvania Football Coaches Association (CPFCA) is recognized as a non-profit organization. The CPFCA has been the administrative organization promoting and conducting the Classic over the past seventeen years. Annually the receipts and expenditures for the operation of the game are in the \$25,000 to \$30,000 range.

There are three avenues of revenue for the Classic -- 1) individual player sponsors provide for one-third of the funds, 2) Game Sponsor and Co-Sponsors contributions equate to one-fourth of the revenue, and 3) the promotional component, including advertisers, business card and patron sponsors, sale of promotional items such as hats, T-shirts, and game program, video, and ticket sales constitutes the remainder of the revenues.

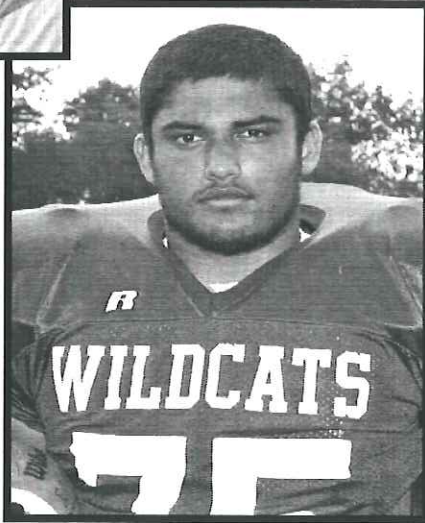

On the expenditure side, player expenses including game jerseys, practice meals, player commemorative awards, insurance coverage, and scholarship awards account for forty percent of the costs. An additional forty percent of the expenses are related to field rental, game site personnel, purchase of promotional items, and game program printing costs. The rest of the expenses are associated with coaching expenses, promotional fees, and administrative costs.

Basically, the game is a result of efforts of individuals from the thirty-one schools comprising the Central Pennsylvania region working for continued success of the Lezzer Lumber Classic.

Congratulations and Best Wishes

LEZZER LUMBER FOOTBALL CLASSIC GAME RULES

<u>Offense</u>	Must play with a balanced line. There must be three men on either side of center on the line of scrimmage. The offense may align in or motion to trips formation as long as one running back remains aligned in the backfield between the tackles. Each team must attempt passes on 30 % of their offensive plays. Percentages will be checked midway through the third quarter. If a team is under the 30 % pass attempt, each non-pass play will be penalized for un-sportsmanship conduct until the percentages are met and maintained. Forced scrambles and sacks will be counted as pass attempts
Defense	Must align in a Basic 5-2, with a man on the Center, a man on each Tackle, and a man on each End (or outside of the defensive tackle to the split-end side) Linebackers must be over the Guards and deeper than the heels of the defensive tackles. Defensive Ends (one or both may drop into pass coverage) but must start in alignment outside the defensive tackles, on or off the ball. Slanting and looping by the front five is permissible. There shall be no blitzing or shooting of linebackers or secondary. Pass Coverage on first, second, and fourth down may be man or zone, but must be man-to-man on third down.
Short Yardage / Goaline	Anytime the offense has less than three yards to go for a first down or touchdown, the linebackers may move up onto the line of scrimmage, and the secondary may move up (but must stay outside the defensive end).
Point Differential	<u>If Team A scores and is behind by 9 + points, Team A will be given the Option to Kick or Receive. If Team A receives and scores on that possession and still trails by 9 + points, No option - Team A will Kickoff to Team B. Rule does not change designated second half Kickoff.</u>
Kickoff	<u>Kickoff will be from the 35 yardline.</u>
Kicking Game	In Kicking Game situations, the linebackers may move up onto the line of scrimmage, and the secondary may move up (but must stay outside the defensive end), however, no more than seven may rush on any kicking play.
Quarters / Time	<u>Quarters 1 and 3 will be 15 minutes</u> <u>Quarters 2 and 4 will be 12 minutes</u>
Playing Time	Each player must participate for a least 15 plays.
Tie Breaker	If the score is tied at the end of regulation play it will stand as a tie

PLAYER AND COACHES SELECTION

Players and coaches are selected for the game by members of the Central Pennsylvania Football Coaches Association. They require that a representative attend a minimum of three CPFCA meetings before a player is eligible. Players from schools failing to meet the minimum participation requirements are not eligible for the following year.

Player Selection:

1. Graduating Senior players are nominated in writing by their head coach in December.
 - a. Each school may have no more than five players participate.
2. Players nominated are polled to ascertain that they will participate if selected.
3. Coaches from schools in each division review the nominated players and the forty players are selected by a consensus of the selection committees. (A player from each eligible school will be selected to participate in the game.)

Coach Selection:

1. Members of the association select the coaching staff from member schools in each division -- North and South.
2. The coaching staffs for each division consist of a Head Coach and five Associate Coaches.
