## PRESIDENT'S MESSAGE

Again this year; it has been an honor and a privilege to be the president of the CPFCA. As most of you know, this year Pennsylvania football lost a great man, Jack Baily. Jack was involved with football for over 50 years. He was a player, coach, mentor, organizer, politician, but mostly a great guy who loved helping kids and making their football experience better. It was probably the thousands of little things he did for local football that made life easier for the rest of us. We will miss you, Jack, and we will keep your legacy alive.

The Lezzer Lumber Classic is in the good hands as J. Gawen Stoker, long time friend of Jack's, will take over as the Classic's game manager. Coach Stoker also brings a wealth of football knowledge and experience to his new assignment and the Classic is in good hands. The Lezzer Lumber golf tournament, run by Jim Zauzig, was a great huge success held June 6th at Standing Stone Golf Course. Over 76 golfers participated and raised money for player scholarships. Jim Zauzig will also be an assistant coach for the East West game. Congratulations to AJ Hoenstine coach of the South, and Jason Shilala coach of the North. I would also like to thank Rob Irwin, who like Jack, does numerous things for this game and the CPFCA.

In closing I would like to thank the players. For some this will be the last time they play in full pads. Some will play in college and maybe on Sundays. You really won't fully appreciate this game until you are older. And to the parents, many years of youth football, Jr. High, and High School football come to a close. All those trips to practices and games, washing dirty uniforms, and giving words of encouragement when things were not going as planned. Thanks and good luck to all the players.

Sincerely,  
Tom Shearer  
2009-2010 CPFCA President  
Head Football Coach, Indian Valley High School

WINGATE — Members of the North football team started hitting each other during the early stages of their preparation for the 25th annual Lezzer Lumber Football Classic.

By Saturday night, they were more than ready to hit somebody else.

An eager, intense and aggressive North defense held the South's offense to 144 yards en route to a 26-7 victory at Bald Eagle Area's Alumni Stadium. The victory snapped the South's two-year winning streak and brought the ideal closure to the high school careers of 10 athletes from Centre County who played for the North.

"I don't know what broke the ice," Bald Eagle Area linebacker A.J. Robinson said. "But it seemed like we played together all year."

The North displayed its cohesion early as its defense held the South to only eight first-half yards.

The South scored its only touchdown during the third quarter, and needed a backfield consisting of three players — Altoona's Nick Soto, Huntingdon's Andrew Sarra and Tyrone's Matt Murray — who combined to weigh 785 pounds to push the ball through the North's defensive line. Soto, a lineman, followed Murray and Sarra to score on a 1-yard plunge. A play earlier, Soto checked into the backfield and was tackled low by Clearfield's Nick Redden, a Big 33 participant who played on the offensive and defensive lines Saturday.

Meager gains were the norm against the North's defense. The South rushed for just 60 yards on 28 carries. The North held the South to its lowest point total since 2000, when the team squad won 20-6 using the force of current Oakland Raiders long snapper Jon Condo.

This year's North team showed its strength on both sides of the line. The North didn't punt until the fourth quarter as its offense compiled 17 first downs, including 11 during the first half.

"We had some really talented kids in the backfield and receivers," North coach Steve Turchetta said. "But that line was pretty good. That's probably one of the more solid lines I have coached in this game."

A lineman Turchetta coached at Central Mountain was involved in one of the game's biggest plays. The North took a 20-0 lead when a hit by Central Mountain's Matt Bower caused a fumble that DuBois' Andrew Gordon returned 14 yards for a touchdown.

The play gave the North a comfortable cushion, something a 225-8 first-half advantage in offensive yards failed to yield. The North's only first-half touchdown came on Clearfield quarterback Jarrin Campman's 11-yard run with 3:51 remaining in the first quarter.

Central Mountain's Nathan Conway missed a 27-yard field goal, Mount Union's Jimmy Smith intercepted a pass in the end zone and Campman was stuffed on a fourth-and-goal from the 1 as the South entered halftime trailing just 7-0.

"We got it to the red zone three times and we should have gotten it in," Philipsburg-Osceola guard Andy Hanes said. "There was a little bit of a nervous feeling, but with the way our defense was playing and offense was driving the ball we had a feeling we were going to make it."

The North helped itself by forcing four turnovers, including three during the second half. Central Mountain's Corey Bartholomew intercepted two passes while Robinson intercepted a pass in the second quarter.

Bellefonte's Kode Plank threw the game's only touchdown pass, connecting on a 19-yarder to Central Mountain's Matt Overdorf with 6:43 remaining in the third quarter. Campman, an all-state selection who rushed and passed for more than 1,000 yards as a senior, scored the North's final touchdown on a 19-yard run during the fourth quarter. Campman gained a game-high 96 yards on 16 carries to earn offensive MVP honors for the North. Gordon was named the team's defensive MVP.

Plank went 3 of 6 passing for 50 yards and rushed for 27 yards. He completed a 28-yard pass to Bellefonte teammate David Radziak during the first half. Bellefonte's Chris Irwin caught two Campman pass for 14 yards.

## *CLASSIC FINANCIAL STATEMENT*

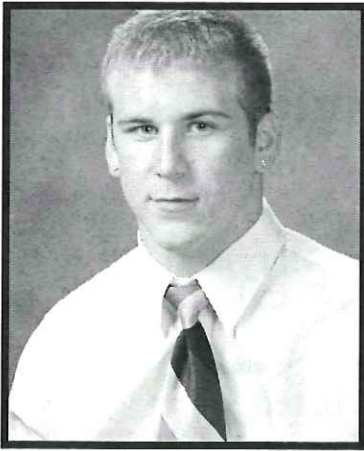

How are the funds raised? Where does the money go?

The Central Pennsylvania Football Coaches Association (CPFCA) is recognized as a non-profit organization. The CPFCA has been the administrative organization promoting and conducting the Classic over the past twenty-four years. Annually the receipts and expenditures for the operation of the game are in the \$25,000 to \$30,000 range.

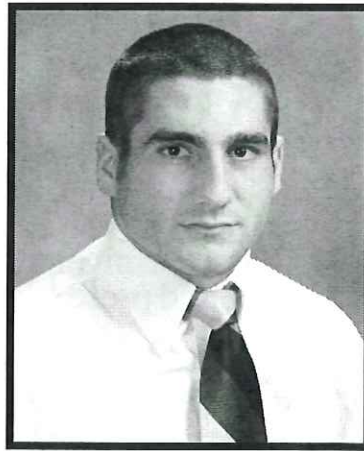

There are three avenues of revenue for the Classic -- 1) individual player sponsors provide for one-third of the funds, 2) Game Sponsor and Co-Sponsors contributions equate to one-fourth of the revenue, and 3) the promotional component, including advertisers, business card and patron sponsors, sale of promotional items such as hats, T-shirts, and game program, video, and ticket sales constitutes the remainder of the revenues.

On the expenditure side, player expenses including game jerseys, practice meals, player commemorative awards, insurance coverage, and scholarship awards account for forty percent of the costs. An additional forty percent of the expenses are related to field rental, game site personnel, purchase of promotional items, and game program printing costs. The rest of the expenses are associated with coaching expenses, promotional fees, and administrative costs.

Basically, the game is a result of efforts of individuals from the thirty-one schools comprising the Central Pennsylvania region working for continued success of the Lezzer Lumber Classic.

## LEZZER LUMBER FOOTBALL CLASSIC GAME RULES

<b>Offense</b>	Must play with a balanced line. There must be three men on either side of center on the line of scrimmage. The offense may align in or motion to trips formation as long as one running back remains aligned in the backfield between the tackles. Each team must attempt passes on 30 % of their offensive plays. Percentages will be checked midway through the third quarter. If a team is under the 30 % pass attempt, each non-pass play will be penalized for un-sportsmanship conduct until the percentages are met and maintained. Forced scrambles and sacks will be counted as pass attempts
<b>Defense</b>	Must align in a Basic 5-2, with a man on the Center, a man on each Tackle, and a man on each End (or outside of the defensive tackle to the split-end side) Linebackers must be over the Guards and deeper than the heels of the defensive tackles. Defensive Ends (one or both may drop into pass coverage) but must start in alignment outside the defensive tackles, on or off the ball. Slanting and looping by the front five is permissible. There shall be no blitzing or shooting of linebackers or secondary. Pass Coverage on first, second, and fourth down may be man or zone, but must be man-to-man on third down.
<b>Short Yardage / Goaline</b>	Anytime the offense has less than three yards to go for a first down or touchdown, the linebackers may move up onto the line of scrimmage, and the secondary may move up (but must stay outside the defensive end).
<b>Point Differential</b>	<b><u>If Team A scores and is behind by 9 + points, Team A will be given the Option to Kick or Receive. If Team A receives and scores on that possession and still trails by 9 + points, No option - Team A will Kickoff to Team B. Rule does not change designated second half Kickoff.</u></b>
<b>Kickoff</b>	<u>Kickoff will be from the 35 yardline.</u>
<b>Kicking Game</b>	In Kicking Game situations, the linebackers may move up onto the line of scrimmage, and the secondary may move up (but must stay outside the defensive end), however, no more than seven may rush on any kicking play.
<b>Quarters / Time</b>	Each <u>Quarter will be 12 minutes</u>
<b>Playing Time</b>	Each player must participate for a least 15 plays.
<b>Tie Breaker</b>	If the score is tied at the end of regulation play it will stand as a tie

## PLAYER AND COACHES SELECTION

Players and coaches are selected for the game by members of the Central Pennsylvania Football Coaches Association. They require that a representative attend a minimum of three CPFCA meetings before a player is eligible. Players from schools failing to meet the minimum participation requirements are not eligible for the following year.

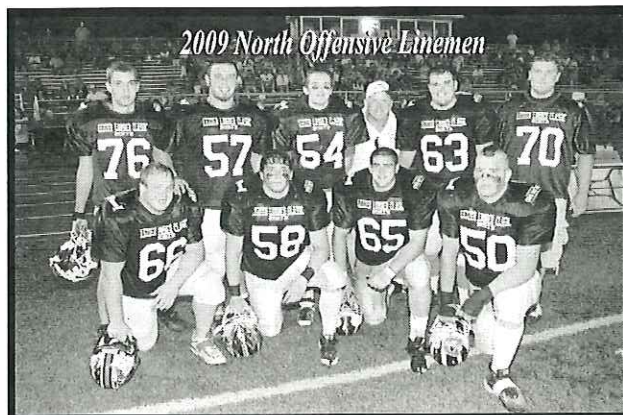

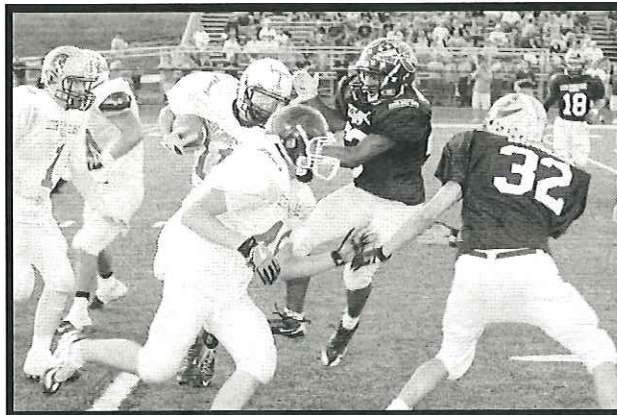

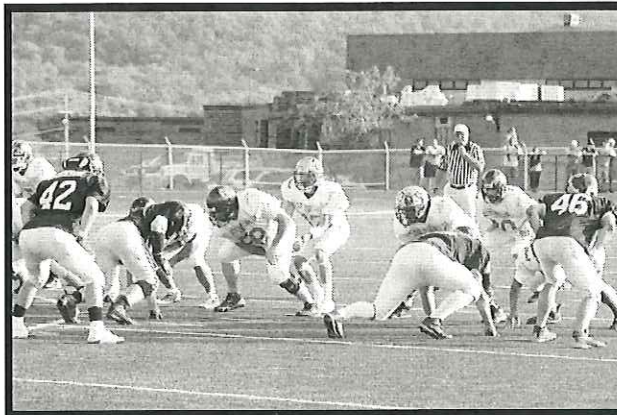

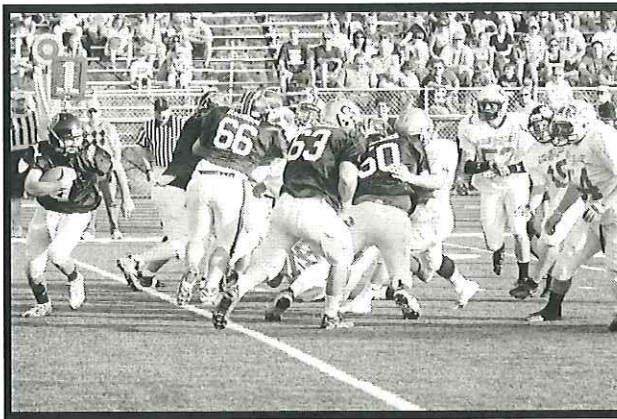

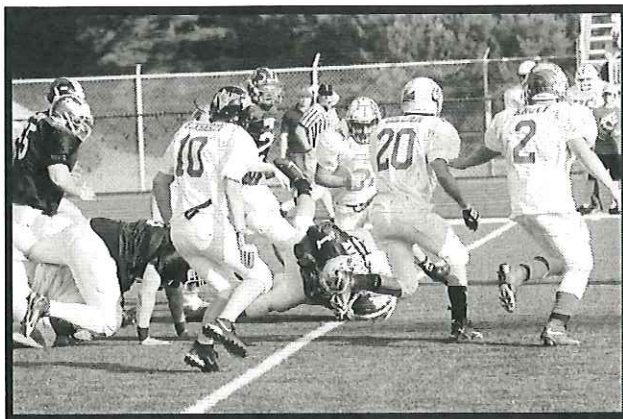

### Player Selection:

1. Graduating Senior players are nominated in writing by their head coach in December.
  - a. Each school may have no more than five players participate.
2. Players nominated are polled to ascertain that they will participate if selected.
3. Coaches from schools in each division review the nominated players and the forty players are selected by a consensus of the selection committees. (A player from each eligible school will be selected to participate in the game.)

### Coach Selection:

1. Members of the association select the coaching staff from member schools in each division -- North and South.
2. The coaching staffs for each division consist of a Head Coach and five/six Associate Coaches.

Good Luck Pirates  
in the 2010 Season!

## A Classic History

Previous Central Pennsylvania All-Star Football games such as the 1960 Central Counties and the 1977-78 Lewis-town Lion Club were "great football games," but were short lived.

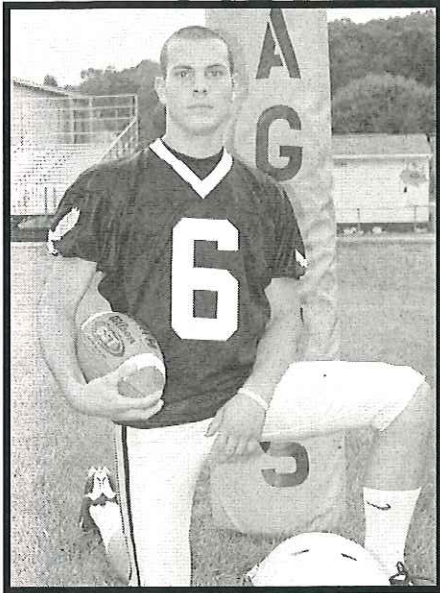

In 1985, the Central Pennsylvania Football Coaches Association, with J. Gawen Stoker as the Game Director, initiated the Mid-State Classic under the corporate sponsorship of the Mid-State Bank. The game was established to promote scholastic football, to recognize excellence of our players and coaches, to provide a system of ongoing football education for our coaching staffs, and to fund a scholarship program. The first game involved players from twenty-five schools. Uni-Mart replaced Mid-State Bank as the game sponsor in 1993. Since 1996, Jack Bailey and Rob Irwin have served as Co-Game Directors for the Classic. J. Gawen Stoker is our Game Director for 2010.

In 1998, the Lezzer Lumber Company became the major sponsor for the Classic with the CPFCA maintaining the football and organizational aspects of the game. We are proud to continue our association with the Lezzer Lumber as the corporate sponsor. Currently, there are thirty-one schools from District VI and IX involved in the game. To date, \$92,000 in the form of 184 scholarships have been awarded to help young people continue their education. The CPFCA holds monthly mini-clinics for high school and youth coaches during the winter months. To the players and coaches, being selected to participate in the "Classic" is held in high regard. It would seem that the goals for the Classic are being realized. The degree to which the game and the CPFCA can work toward these goals will depend upon the support we continue to receive.

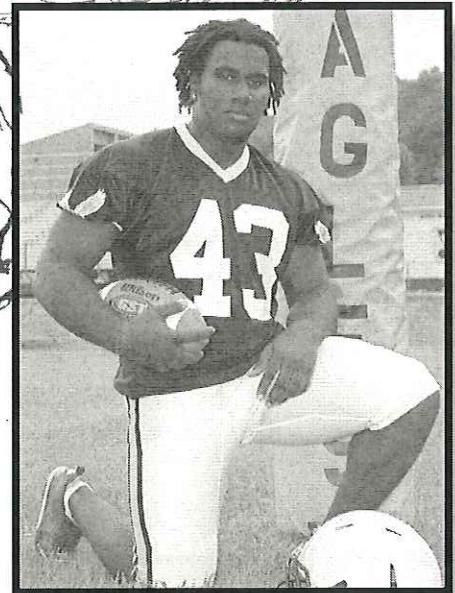

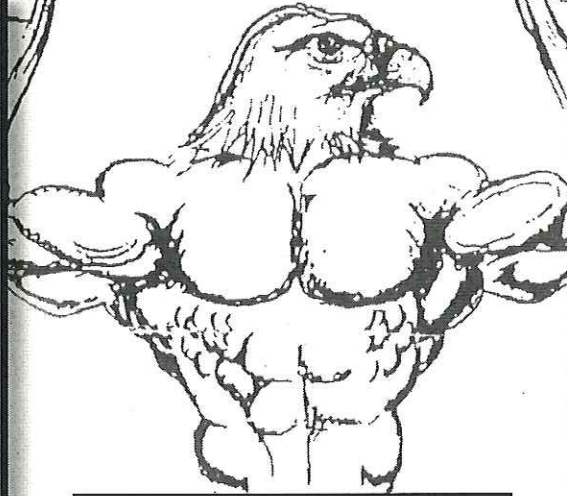

The Lezzer Lumber Classic is considered as one of the premiere all-star football games in Pennsylvania. It is a tribute to our sponsors and co-sponsors, to the individual players sponsors, the business card and patron sponsors, and to families and friends of scholastic football in the Central Pennsylvania region. Please patronize our supporters, and let them know that you appreciate their contributions to the Classic when you visit their businesses.

YOU MAKE IT ALL WORK!
