

History of the Camp:

During the summer of 1991, Steve “The Wizard” Wiser had an idea that would change High School Football forever. “How can I help **TEAMS** build the comradery necessary to win championships while also building great relationships with High School Coaches and Recruits?” Boom! Enter the Steve Wiser Football Camps. It started off small, just a few teams that first year – Clarion, Williamsport and Loyalsock. High Schools began to see a correlation between the camp and their team’s success. The camp became more and more popular each year. Eventually leading to a record high 12 teams on campus in 2013.

What do Coaches have to say?

“The Steve Wiser Camp has provided us with a platform to get a leg up on the competition with their state of the art facilities. It provides us with the necessary equipment, classroom and dorms to make it a great camp for team bonding, practicing, and competing.”

Pat Cilento (Former Head Coach Bullis School, Potomac MD)

“Camp provided an excellent opportunity for our team to get better on the field but more importantly off of it. All of our players talked about camp being the event that brought our team closer and helped them to play together throughout the whole season.”

Matt Bloom (Head Coach Somerville High School, Somerville NJ)

“Coming to the Steve Wiser Overnight Football camp has not only brought our team closer together, but helped us to have one of our most successful seasons in school history!”

Ryan Smith (Former Head Coach Keystone High School, Knox PA)

STEVE WISER FOOTBALL CAMPS

AT LYCOMING COLLEGE

EST. 1991

JULY 15th, 2024 - August 2nd, 2024

Recent Team Participation!

Clarion High School – PA

Pricing:

The Steve Wiser Football camp is understanding that each school's size, budget and abilities are all different. We have done an outstanding job of working with coaches and administrators to make this an affordable service. We will utilize an algorithm that includes coaches/players/meals/facilities usage to determine the cost for each team.
