

March 2, 2020

Dear Athletic Director:

The District IV Baseball and Softball playoffs for the spring, 2020 season will use the same power ranking system as the fall and winter sport season, to determine the seeds for the respective tournaments. Athletic Directors will have to enter their complete schedules into the Gimp Software, then by 12:00 noon the following day, enter the results of each game into the system. We have enclosed a copy of the rules as developed by the District IV Committee for the post season.

Any questions that you may have regarding the tournaments or the rules/regulations can be directed to me at Williamsport Area High School or Curt Chilson at Muncy High School. You may also speak with us at the spring meeting, which will be held at the Watson Inn in Watsontown on Monday, April 27, 2020.

Games must be played by Saturday, May 16, 2020 to qualify for the play-offs during the 2020 District baseball/softball tournament. Play-offs will start the week of May 18, 2020. Please make sure all coaches are made aware of all rules and regulations, especially the baseball pitch count rules.

Thank you for your help and support in this endeavor.

Sincerely,

Sean McCann, Baseball Chairman
District IV Committee

Curt Chilson, Softball Chairman
District IV Committee
