RE: 2022-2023 District IV Competitive Spirit Championships

Please take time to review the rules for the 2022-2023 PIAA District IV Championships in Competitive Spirit. I am enclosing a copy of the rules as approved by the District IV Committee for your convenience.

The defined season for Competitive Spirit begins the first day of fall sports and ends with the last day of the PIAA Basketball Championships. Tryouts can be held outside the defined season, but all other season and out-of-season rules and regulations apply. The District IV Championships will be held on **January 14, 2023 at Shamokin Area High School beginning at 12:00 noon**. The PIAA State Championships will be held Friday and Saturday, January 27 and 28, 2023 in Hershey.

There are (2) classifications in Competitive Spirit (AA and AAA). Within each classification there will be a Small (1-15 members) and Large (16+ members) Division. There will also be one overall Co-ed Division for any school that has at least one male. **District 4 will have a total of (6) qualifiers for the PIAA State Championships. The top (6) scores will advance to the State Championships regardless of Division (Large, Small, or Co-ed) or Classification (AA or AAA). The District and State Level Championships will be judged by Varsity judges. There will be NO entry fee for the District Level Championships. If you have any questions, please do not hesitate to contact me at 570-205-1144.**
