

DISTRICT IV QUALIFYING TOURNAMENT

Wednesday, September 26th 2018

The District IV Committee is sponsoring a qualifying tournament to provide an **additional** opportunity for individual golfers to qualify for the District IV Championship Tournament. This tournament is **not** in place of the District IV Tournament.

Reminder: Individual golfers can also qualify for the District Tournament by having an average of 88.00 or better (boys) and 100.00 or better (girls) by the District IV Tournament registration deadline of Friday, September 28th. **Also, any golfer who will be participating with a TEAM at the District Tournament will also be automatically qualified for the District Tournament.** If you are unsure as to whether your team will qualify for the tournament, I would recommend sending golfers who do NOT meet the individual qualifying criteria to this event.

Any golfer who enters the District IV Qualifying Tournament should be accompanied by a school representative. The representative will work with tournament officials to help supervise the event.

Listed below are the rules and regulations of the District IV Qualifying Tournament, to be held on: ***Wednesday, September 26, 2018 at 12:00 pm at the White Deer Golf Club (Vintage Course).***

Coaches' meetings will be held at 11:00 am on September 26th.
