

DISTRICT IV QUALIFYING TOURNAMENT

Wednesday, September 21, 2022

The District IV Committee is sponsoring a qualifying tournament to provide an **additional** opportunity for individual golfers to qualify for the District IV Championship Tournament. This tournament is **not** in place of the District IV Tournament.

Reminder: Individual golfers can also qualify for the District Tournament by having a season average of 88.00 or better (boys) and 100.00 or better (girls) by the District IV Tournament registration deadline of Friday, September 23. Also, any golfer who will be participating with a TEAM at the District Tournament will also be automatically qualified for the District Tournament. If you are unsure as to whether your team will qualify for the tournament, I would recommend sending golfers who do NOT meet the individual qualifying criteria to this event.

Any golfer who enters the District IV Qualifying Tournament should be accompanied by a school representative. The representative will work with tournament officials to help supervise the event.

Listed below are the rules and regulations of the District IV Qualifying Tournament, to be held on: *Wednesday, September 21, 2022 at 12:00 pm at the White Deer Golf Club (Vintage Course).* Coaches' meetings will be held at 11:00 am.

Each school is limited to three male and three female entries. **There is no fee for entering this tournament. I do ask that only those players with a legitimate chance of scoring an 88 (boys) or 100 (girls) be entered into this tournament.**

Entry form and eligibility sheet must be received by Monday, September 19, 2022.

Send entries and direct inquiries to the District IV Golf Chairman:

Mike Snyder
Montgomery Area School District
120 Penn Street
Montgomery, PA 17752
Fax: (570) 547-6755
Email: msnyder@montasd.org

Range balls may be paid for at the course on the day of the tournament.

Players must adhere to the following dress code: Shirts should have collars or be a suitable sports "performance" tee; no jeans; no denim or cut-off shorts; no tank tops; no visible undergarments; no backwards hats; no metal-spiked or hard-soled shoes.

Any boy who shoots 88 or better and any girl who shoots 100 or better will qualify for the District IV Tournament individually. These will be the only players from the Qualifier to enter the District IV Tournament.
