

## 2024 District IV Golf Dates & Information

### DATE—TIME—PLACE

The 2024 District IV Individual Golf Tournament will be played at the **Williamsport Country Club**, and the team championships will be played at **White Deer GC**. The schedule for the district, sub-regional, and state golf events will be as follows:

**Wednesday, September 25-** AA/AAA Team Championships and Individual Qualifier (11:00 AM start) @ White Deer GC

**Monday, September 30** – AAA Girls Individual Championships w/District II (10:00 AM) @ Elkview Country Club

**Thursday, October 3** – AA/AAA Boys & AA Girls DIV First-round individual play (11:00 AM) @ Williamsport CC

**Saturday, October 5** – Second-round individual play (10:00 AM) @ Williamsport Country Club

**Thursday, October 10** – AA/AAA Team Sub-regional with District II (10:00 AM) @ Fox Hill Country Club

**October, 21 & 22** – PIAA Individual Championship (8:30 AM) @ Penn State University

**October 23** – Team Championships (8:30 AM) @ Penn State University

### QUALIFYING CRITERIA FOR THE INDIVIDUAL CHAMPIONSHIP

**Note:** AAA female golfers will automatically compete in a sub-regional tournament with District II, qualifying them for the PIAA Individual Championship. The sub-regional will be held on Monday, September 30 at Elkview CC, with a rain date of Tuesday, October 1, 2024. All players will report to their assigned hole by 9:45 AM. Cost for the tournament is approximately \$33 per entrant. Please bring checks the day of the event made payable to District II and hand in to Mr. Ben Tolerico.

1. To qualify individually, **male** players must have an average score of 44 or better (for those playing predominately 9-hole matches) or 88.00 or better (those playing predominately 18-hole matches). **Female** golfers must average 50 or better (for those playing predominately 9-hole matches) or 100.00 or better (for those playing predominately 18-hole matches). **In order to post a qualifying average a golfer must have at least golfed a total of 45 holes.**
2. In addition to the season scoring average qualification measure, any male or female golfer who does need meet the above standard may participate in the *Last Chance District Qualifier* at White Deer GC on September 25, 2024. Any **male** who shoots 88 or below and any **female** who shoots 100 or below that day will automatically qualify for the individual district tournament. This includes all golfers who are participating in the team event as well.

Golfers **MAY** drop their highest score(s) based on their total number of holes played as follows:

<b>Total Holes Played</b>	<b>Eligible scores to drop</b>
63 or more	One 18 hole score or Two 9 hole match scores totaling 18 holes
54	One 9 match hole score

Schools with a golf team may enter as many players individually as qualify by these criteria; at-large entries from schools that do not sponsor a golf team may likewise enter as many players as qualify by these criteria.

Names and average scores for the 2024 season should be submitted on the enclosed entry form. Pairings will be made using these average scores.

### **QUALIFYING CRITERIA FOR THE TEAM CHAMPIONSHIP**

Each eligible school with a golf team is invited to enter up to five (5) male golfers and up to five (5) female golfers in the team championship. **Remember that beginning with the 2017 season, girls teams may now play and score three golfers. Teams also have the option of entering up to five golfers, but only three will count towards their total score.** In order to be eligible for the District IV Team Championship a school with a boys or coed team must have a winning percentage of .500 or better or have earned a conference or league championship. Any school that sponsors a girls team will automatically qualify for the team championships.

The enclosed entry form should list the results of each match your team participates in during the season (prior to the deadline for entry). If your team competes against several other teams during a match, you may summarize the results for the competition as shown, rather than list each individual team involved. (See the team entry form for an example.)

Boys or Coed teams competing in the Team Championship may play five and record four scores. Girls teams in the Team Championship may play five and record three scores. The team champions in each class will be the qualifying team with the lowest aggregate score. *(Teams with four or more participating players that do not qualify for the Team Championship by the 50% winning percentage criterion will not be eligible for the Team Championship regardless of total score.)*

Teams with winning percentages of .500 or greater are reminded that you may enter golfers in the Team Championship who do not meet the qualifying criteria for the individual championship.

There will be a Class AA and AAA, male and female team champion, provided there are teams that meet the entry criterion in each class. The team champions in each class will compete with District II in a PIAA Sub-Region Tournament at a location, date, and time listed above. The winners of the Sub-Region Tournament will advance to the state team championships.

**Boys District champion teams must have a team score of 400 or lower to advance to the Sub-Regional Tournament. Girls District champion teams must have a team score of 300 or lower to advance to the Sub-Regional Tournament.**

**ENTRY FORM SUBMISSION INFORMATION**

Please complete the enclosed entry forms. Be sure to list individual averages/District IV Qualifying Tournament scores, and/or to indicate the five players who will be competing in the team tournament. Also enclose an **ELIGIBILITY SHEET** with the entry forms. This year there will be no entry fee. Lunch will not be provided and arrangements at local restaurants can be made, if necessary.

**SEND ENTRY FORMS and ELIGIBILITY SHEETS no later than Friday, September 20, 2024 to:**
