

PIAA DISTRICT IV VOLLEYBALL

TO: District IV Principals, Athletic Directors, and Volleyball Coaches
FROM: Diana Barnes
RE: District IV Volleyball Tournament
DATE: October 7, 2020

This year the District IV Volleyball Tournament will start on Saturday, October 31.

To enter District IV playoffs for the 2020 season, “A” and “AA” teams must have a .500 or better record or a power ranking higher than those teams that do to qualify for district play. Tournament play or pool play cannot be considered. We will be using the District IV power ranking system for seeding. Please make sure your school updates their scores in a timely manner.

All games must be completed by Thursday, Oct. 29. The seeding will be done on Friday, Oct. 30. Again, seeding will be done by following the power ranking system. The playoff format will be the same as last year; best three out of five in head-to-head competitions with rally scoring. **One** team in AA and **one** team in A will advance to the state tournament. Please check the PIAA website for bracketing information.

“A” semi-final games will be played Saturday, October 31st.

“AA” quarter final games will be played Saturday, October 31st, if necessary.

“AA” semi-final games will be played Tuesday, November 3rd.

“A” and “AA” finals will be played Thursday, November 5th.

Williamson will be the host school for this year’s District IV tournament. Due to Covid - 19 we will have limited seats available for spectators. We will update your school on the number of spectators at a later date. If you have questions, please feel free to call me anytime. My numbers are:
